### Ngā Mahi o ngā Komiti Hapori / Roles of **Community Boards**

Community Boards are set up under Section 49 of the Local Government Act 2002 (LGA 2002) and their role is detailed under section 52 of the LGA 2002 to:

- Represent and act as advocates for the interests of their community;
- Consider and report on all matters referred to it by the Council or any matter of interest or concern to the Community Board;
- Make an annual submission to the Council on expenditure within the community;
- Maintain an overview of services provided by the Council within the community;
- Act as a channel of communication between the community and Council;
- Undertake any other responsibilities delegated by the Council.

### He Karere Haumaru / Health and Safety Message

In the event of an emergency, please follow the instructions of Council staff.

If there is an earthquake – drop, cover and hold where possible. Please remain where you are until further instruction is given.

### He Pānga Whakararu / Conflicts of Interest

Members are reminded of the need to be vigilant to stand aside from decision making when a conflict arises between their role as an elected member and any private or other external interest they might have.

## 1. Whakatakoto Kaupapa Whānui, Whakaaturanga hoki / Open Forum and Presentations

#### 1.1 Trish Jamieson – Rotokare Scenic Reserve

The Rotokare Scenic Reserve Trust was thankful for the ongoing perpetual grant from the Council. The recreational use of the reserve had been increasing and with that came an element of risk. It was identified that an Automated External Defibrillator (AED) would be of use to limit that risk. Funding had been approved for the AED, however the money could not be uplifted until a lock box was in place. The AED would be located in the operational area of the reserve and a phone would be required for access. Connectivity to use a phone was needed, however this was now in place. The application had not included funding for signage, however this would need to be considered to inform users of the AED being available.

In response to a query regarding the number of users it was noted that it was estimated that 30,000 people visited the reserve each year. This number decreased during the Covid-19 outbreak. The official numbers were not recorded, however there were a number of school groups that visited the reserve and Sundays were always busy. It was not an easy process to record visitor numbers and would require additional staffing.

fund to the Eltham-Kaponga Community Board to reinstall Eltham 'Town of Firsts" sign.

It was noted that the old soccer club rooms, which were a health and safety hazard, had not been removed from the Taylor Street Dog Park. It was noted that the building was not owned by the Council. The Old Soccer Club Rooms were to be added to Items for Action.

#### 5. Pūrongo-Whakamārama / Information Reports

#### 5.1 **Community Development Activity Report**

The report provided updates to the Board on progress with community development projects and activities across the District and other items of interest.

RoadSafe Taranaki ran a design a bike helmet competition and over 650 entries were received. The Youth to Work Awards were run differently this year with nominees being visited to be presented with their certificate and recognition. It was hoped that the pou storyboard in Eltham would be completed and installed by the end of November.

In response to a query regarding the delays with the field gun it was noted that it had been with a new group since April and it was hoped that the field gun would be back in place for ANZAC Day 2024.

5.3 Environmental Services Activity Report – October 2023

The report updated the Board on activities relating to the Environmental Services Group for the month of October 2023.

The report included an upfront overview of the key points for the month. It was noted that there was a section 17A review underway to consider the afterhours services for animal and noise control. A contractor would be used for after hours noise complaints.

In response to a query regarding the technology required for noise complaints it was noted that the particular devices used were not known.

If a complaint was deemed reasonable then the contractor would approach the property.

Pūrongo **Report** 

Subject	Local Discretionary Funding Applications
Date	24 January 2024
From	Kaiawhina Pūtea Hapori / Community Funding Advisor, Christina Wells
То	Eltham-Kaponga Community Board

#### Whakarāpopoto Kāhui Kahika / Executive Summary

- 1. This report provides a summary of the applications received to the January 2024 Local Discretionary Funds (the Fund) including the current status of the Board's Fund. Revised budgets have been included in Appendix 1 inclusive of any carryover from the 2022/23 year.
- 2. Each Community Board has the delegated authority to approve grants qualifying for Local Discretionary funding as per the set and individual criteria of that Board.

#### Taunakitanga / Recommendation

THAT the Eltham-Kaponga Community Board;

- a) Receives the Local Discretionary Funding Report.
- b) Receives any applications (if applicable) requesting funding assistance from the Local Discretionary Fund and;
  - i. Approves to fund the application(s) for the amount requested; or
  - ii. Approves to fund the application(s) for a different amount; or
  - iii. Defers the application(s) to the next funding round; or
  - iv. Declines funding for the application(s) submitted.

#### Kupu Whakamārama / Background

- 3. The purpose of the Fund is to fund small projects within the individual wards that encourage groups with non-profit making or charitable aims to develop services, facilities, amenities or programmes for the benefit of the community.
- 4. Projects must meet both the set and individual conditions of the Board to which they are applying and are to be treated as a last resort after all other attempts to raise funds or obtain assistance have been unsuccessful.
- 5. Community Boards are allowed to carry over 20% of each Board's annual allocation into the next financial year. The maximum amount for each Board is listed below:

6

Eltham-Kaponga Community Board	\$2,367.00
Te Hāwera Community Board	\$7,399.80
Taranaki Coastal Community Board	\$3,880.80
Pātea Community Board	\$2,302.20

6. The Fund opening balances for each financial year are included in the Board's Discretionary Fund Report. Amounts budgeted for each Board are currently based on the 2013 Census population data and are as follows:

Eltham-Kaponga Community Board	\$11,835
Te Hāwera Community Board	\$36,999
Taranaki Coastal Community Board	\$19,404
Pātea Community Board	\$11,511

7. Any unspent allowable carryover (20%) funds are added to the next financial year's balance, some totals may be adjusted after the end of year reconciliation.

#### **Local Government Purpose**

8. The purpose of Local Government is: "to promote the social, economic, environmental and cultural well-being of communities in the present and for the future". Funding projects that meet the criteria of the Funds meet the Social, Economic, Cultural and Environmental well-being of the community.

#### Ngā Kōwhiringa / Options – Identification and analysis

#### **Option(s)** available

- 9. The possible options for each application are:
  - a) Option One: Approve the application for the requested amount; or
  - b) Option Two: Approve the application for a different amount; or
  - c) Option Three: Defers the application to the next funding round; or
  - d) Option Four: Decline the application.

#### Whaiwhakaaro me ngā aromatawai / Considerations and Assessments

10. Each application should be considered against its alignment to the purpose of Local Government as well as the extent to which the projects meet the overall Fund objectives and set individual criteria.

#### Te Hāwera

- a) Requests to support wages or salaries will not be considered.
- b) Grants will normally be between \$250 and \$5,000.
- c) The Board does not normally consider retrospective funding.
- d) The Board will automatically decline any application where a representative does not attend the Board meeting.

15

#### Pātea

- a) The Board will not normally provide retrospective funding.
- b) Successful applicants are required to provide a written report upon completion of their project.

#### Taranaki Coastal

- a) The Board will not normally provide retrospective funding.
- b) Successful applicants are required to provide a written report upon completion of their project.

#### Eltham-Kaponga

- a) Successful applicants are required to provide a written report upon completion of their project
- b) Applicants must acknowledge funding where appropriate

#### Ineligible for funding

Table 12.2: Considerations and Sample Resolutions

Items for consideration	Sample Resolutions
The applicant usually receives funding via the STDC Rural Hall Grant, a funding round email was sent on June 29 to all recorded contacts with a 2024 Application and Accountability form attached. The applicant used an old form that had an extended date which was received after the closing date and allocation of the 2023/24 round. It was noted that the person sending in the form was not one of the noted contacts, this was updated for future rounds. Average Rural Hall Grant allocation for applicants in 2023/24 was \$2,275.41 per hall.	<ul> <li>Approve</li> <li>Give a lesser amount; or</li> <li>Decline</li> </ul>

#### Whakakapia / Conclusion

13. The Fund was created for the purpose of supporting small projects within the individual wards that encourage groups with non-profit making or charitable aims to develop services, facilities, amenities or programmes for the benefit of the community. The eight funding rounds throughout each year allow the people of the South Taranaki community to continue to receive the benefits that the Fund provides.

Eltham Community Board 23/07/2018	<b>Soldiers Memorial Park</b> The Board would like the plans for Soldiers Park reviewed and progress to be made in line with the a celebration for its 100 year anniversary. The main entrance sign is up, however the pathway sign is still to be completed.	Community and Infrastructure Services	Community Development	Hayley has recieved information from the Historical society with potential wording and the board have finalized how they would like this sign to look. This has been handed over to comms who will work through this and get a final copy for review once complete. The sign will not have locations of interest printed on it, and will instead have a QR code which links to our website and has information on Soldiers Park.	31/03/2024
Eltham Community Board 03/09/2018	<b>Eltham Field Gun</b> The New Zealand Antique and Historical Arms Association in Taranaki had expressed their interest in the restoration of the Eltham Field Gun. Restoration would take place in Kakaramea at Hooper's Engineering over a two year period and then the gun would be returned back to Eltham. The location on its return needed to be decided however it had been recommended that the gun be situated under a roof.	Community and Infrastructure Services	Community Development	April 2023 - the original engineering firm has been unable to progress with the field gun, so it has been uplifted and taken over by a private workshop, belonging to a member of the NZAHAA. The field gun has been scanned and assessed, and positive investigations have been made into potential sponsors of the project. Following the assessment of condition and factoring in the amount of work involved and the logistical issues of dealing with a project of this scale, a realistic estimate of the time to complete this restoration is estimated to be 12 months, their goal is to have the gun back on site for Anzac Day 2024.	ANZAC Day 2024
Eltham-Kaponga Community Board 10/03/2020	<b>Local Security Cameras - Kaponga</b> The Central Taranaki Safe Community Trust were seeking guidance on how best to move forward to patrol Eltham, then moving onto Kaponga. Further homework and investigation was required.	Community and Infrastructure Services	Community Development	The application for Kaponga was declined due to a request for more community consultation. ## Pūrongo-Whakamārama Information Report

Subject	Community Development Activity Report
Date	24 January 2024
From	Kaihautū Whakawhanake Hapori / Community Development Manager, Ella Borrows
То	Eltham-Kaponga Community Board

#### Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report updates the Eltham-Kaponga Community Board on progress with community development projects and activities across the District and other items of interest.

#### Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the Community Development Activity Report.

#### Ngā Kawenga-ā-rohe / District Activities

#### RoadSafe Taranaki

- 2. Fatigue stops have been set up from Waitara/Bell Block in the north, Ōkato and around the coast, and as far south as Pātea. These highly visible stops have attracted a high number of holidaymakers, truck drivers and locals who hear the road safe message and are encouraged to take a break for a free cup of coffee or a snack.
- 3. The Decepta car is a 1 star rated vehicle built in a lab by Waka Kotahi for the promotion of the vehicle safety rating system as part of a road safety campaign. It has been on display at Mitre 10, New World, and Countdown in New Plymouth from 12-17 January 2024. Visitors to the sites were able to see the damage a 1 star vehicle receives in a head-on crash and then check their own vehicle safety rating. The more stars the safer the car.

#### Mayor's Taskforce for Jobs / Whai Mahi

- 4. The team has been working to place 38 or more jobseekers into work from July 2023 until the end of June 2024. 24 job seekers have been assisted into work to date.
- 5. The team continue to work at building and maintaining strong relationships in the business community. The team plans to connect business again this year with Connect 24 after the success last year at the Hāwera A and P Show Grounds in November.
- 6. The office has now moved from 109 Princes Street to Te W'anake/The Foundry. This move enables closer interactions between the team and the business community.

#### State Highway Design – Eltham and Waverley

- 7. Both Waverley and Eltham State Highway designs have been through a Safe Systems Audit (SSA) and minor recommendations made. The Waka Kotahi Road Safety Engineer has provided feedback and this has been assessed by the Council's Project Manager before designs can proceed to finalisation. Once these have been signed and agreed the design can proceed to tender preparation.
- 8. Waka Kotahi are expecting the new Government Policy Statement (GPS) in January which may have implications for how they deliver some of their planned works, including the Waverley project. While it is hoped to proceed to tender preparation soon, physical works will not be able to commence until the GPS is released and considered.

#### Te Takiwā o te Hāwera / Hāwera Ward

#### Ablution Pod Installation at Nowell's Lakes

- 9. A new ablution pod with handwashing and two toilet facilities has been installed at the Nowell's Lakes Walkway. A partnership between the Nowell's Lakes Trust, Fonterra and South Taranaki District Council has enabled the build. The facilities are now open and available for public use. Water is supplied by Fonterra via plumbing connections.
- 10. The new pod is one of three placed by the Council using funding received from the Ministry of Business, Innovation and Employment (MBIE). The other two are at Waihi Beach Reserve and Cape Egmont.

#### Hāwera Skatepark Basketball Hoop

- 11. Earlier this year Basketball New Zealand approached the South Taranaki District Council to identify existing outdoor basketball sites/half courts in need of some care and attention. At that time the Hāwera Skatepark hoop and net needed replacement and so the court was nominated as a popular location.
- 12. Basketball New Zealand ran an online promotion seeking votes from each nominated location to find winners nationwide the Hāwera court won the competition for Taranaki and the installation is expected early this year.

#### Te Takiwā o Pātea / Pātea Ward

#### Pātea Loop Track

13. Significant works have been completed on Kent Street and York Street, marking an important milestone in the efforts to enhance the beauty and functionality of the town. The next focus is the creation of a boardwalk between Seaview Lookout and Bourke's Lookout.

#### Pātea Town Revitalisation

14. In November, the Pātea Town Revitalisation Co-design group met with TGM designer Andrea Leadbetter, to discuss themes and colour palettes for signage, wayfinding and styles to enhance the overall revitalisation project. The discussion covered themes that hold cultural, historical or geographical significance for the individuals and community with the intent to weave these themes into a narrative that tells the Pātea story.

- 15. A decision was made at the meeting to further explore the completion of the Pātea footpaths and tiling borders, as begun in an earlier upgrade several years ago. There was also an agreement to allocate some of the funds to update the area behind the Hunter Shaw building. This could include the cleaning of pavers, reviewing seating, planting and pruning of trees.
- 16. The next hui for the Pātea Town Revitalisation Co-Design group is scheduled for Tuesday 27 February 2024 at the Hunter Shaw Building.

#### Wairoa-Iti / Waverley Town Revitalisation

- 17. Two meetings were held during November and December 2023. The purpose of the meetings were to discuss the concept plan for the town heart and develop a strategy to gather wider community feedback. It was decided that a community meeting would be organised in early 2024 whereby the Co-Design group would present the concept plan to the community. This will be an important step in the process to gain broader input and perspectives to aid decision-making.
- 18. Representatives from the local Iwi, Ngā Rauru and the Council met to review the project timeline and design progress for the pou, planned to be at the town entrace ways. Iwi and the Council have established a realistic and achievable timeline for the completion of the Waverley Pou.

#### Waverley BMX Track / Pump Track

19. After careful consideration the children and young people in Waverley have expressed their preference to upgrade to a pump track rather than allocating funds to fix the current BMX track. Their enthusiasm for a new and exciting recreational facility has been contagious, and the Council is excited to support their vision for a pump track in Aotea Park.

#### Te Takiwā o Arakamu ki Kaponga / Eltham-Kaponga Ward

#### **Eltham Town Revitalisation**

- 20. The Eltham Town Revitalisation co-design group has been presented with a concept design for the Stark Park information sign. The sign will match the designs and themes already agreed upon by the team and will incorporate the Heritage trail (town walkabout) completed by the Historical Society. The co-design group have been asked to provide feedback on the initial concept, and in the meantime the designers, museum and iwi are working together to ensure all information on the sign is accurate and the pictures selected are appropriate.
- 21. Installation of the Bridger Park Pou sign has now been completed. The sign tells the story of the unique aspects of the carvings. The completion of this special project for Eltham was marked on with iwi blessing the sign.

#### **Mural in Eltham**

22. A second draft design for a new mural on the Village Gallery has been completed by local artist Dan Mills and is due to be painted in March 2024. The mural design references Lake Rotokare and the birdlife out at the lake.

#### Te Takiwā o Taranaki ki Tai / Taranaki Coastal Ward

#### **Ōpunakē** Town Revitalisation

- 23. A hui was held with hapū at Ōrimupiko Marae to discuss the proposed green space at Napier Street. Conversation was focused around pou, public art, storytelling and inclusion of local culture and history. Hapū have proud affiliation and desire to see their rangatira Matakātea represented in the greenspace. Hapū will meet to discuss how this could look and any suggestions about how stories of Matakātea can be shared.
- 24. To gather community feedback on the proposal to create a green space/pedestrian mall on Napier Street, a Special Consultative Procedure (SCP) is being planned. The initiation of a SCP requires approval from the Council, and officers are presenting the proposal at the Ordinary Council meeting in April. If approved, public consultation will likely begin in May.

#### **Ōpunakē Pump Track**

25. Vegetation along Tasman Street and Longfellow Road has been cleared in preparation to build the pump track. It is anticipated that work will begin in April 2024.

#### **Beach Connected Pathways**

26. Maintenance work is planned for the Ōpunakē main beach pathway known as the "Goat Track". On-site discussions have been held to discuss options and accessibility.

#### Manaia Foot Bridge

27. Some erosion and structural damage is evident on the footbridge of the Manaia Walkway, likely caused by the weather events in 2022. The walkway meanders through and around the Manaia golf course with part of the path crossing over the Waiokura stream. Council engineers have recommended that the bridge is replaced. This has been budgeted in the next Long Term Plan.

#### Pūtea Tautoko / Funding

#### Pātea Centennial Bursary

28. The allocation meeting for the Pātea Centennial Bursary was held on Friday 15 December 2023. The committee had a total of \$3,688.40 available for allocation this year. Allocations can be found in the table below.

Applicant	Years Grant Received (if applicable)	Allocation

#### Subject District LibraryPlus Report – January 2024

#### Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report covers a range of library activities and statistics across the District for October, November and December 2023.

#### Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the District LibraryPlus Report for October, November and December 2023.

#### Ngā Kawenga-ā-Whare Pukapuka Āpitihanga / LibraryPlus, Activities

#### **Public Outreach and Events**

- 2. Hāwera LibraryPlus Officer Emily Clough initiated a Community Strength and Balance exercise class. Training, and a grant of \$200 was provided by Sport Taranaki to purchase balls and resistance bands. There were three sessions in November and two in December, with the objective of improving the strength and balance of participants in a safe and social setting. Emily has worked with a core 10 people who all wish to continue in 2024. Physiotherapists and other health professionals have contacted the LibraryPlus wanting to send people and a waiting list has been created as the optimum number of attendees is 10.
- 3. Throughout the District there are regular groups who meet at the LibraryPlus, from knitters and crafters, to crossword fans or coffee drinkers who just want to socialise. Worldwide, libraries are seen as a *Third Space* not work, home or school but instead somewhere safe and accepting to spend time together, or alone together. There is considerable research suggesting people feel increasingly isolated, and libraries have a role in helping build the social glue that holds communities together. Towards the end of the year many of the groups organised their own informal Christmas gatherings.
- 4. The New Zealand Banking Association (NZBA) Banking Hub ATM is experiencing ongoing problems and breakdowns. Although the public appreciate the service, and the support of the Concierge, the issues have significantly impacted on people's confidence in the service. Group Manager Community Services Rob Haveswood and Libraries and Cultural Services Manager Cath Sheard have met with representatives from TSB and the NZBA to map a path forward.

- 5. Throughout the year New Zealand Deaf Aotearoa facilitator Tania Stuart ran a monthly access centre at Hāwera LibraryPlus. In the final session for 2023 she organised for a speaker through Zoom. Tania has connected with many of the people who use the library, increasing awareness, promoting sign language to strengthen the rights of deaf people in New Zealand and offering information and support. Ms Stuart is waiting on confirmation of funding in order to continue this valuable service in 2024.
- 6. Across the District a range of organisations use the LibraryPlus as a neutral space to meet, building on the relationship of trust people normally have in librarians. One example is Workbridge Consultant Peter Hokopaura, who met with six clients in the Family and Local History Room in November. He said the benefits of being in the library include *networking with other agencies and the public*, which helps raise the profile of Workbridge in the community.

#### **Children's Services**

- 7. Planned layout changes for the children's area at Eltham LibraryPlus were completed at the beginning of November and feedback from the community has been positive. Parents of younger children have been particularly pleased with the change, with comments such as "I really like that the picture books are away from the PlayStation and it feels more comfortable to sit and read aloud to my daughter".
- 8. Hāwera participated in the Playrocks project organised by Sport Taranaki. Throughout October children painted rocks in the library, at school and preschool. These were brought to the library and staff hid them in King Edward Park alongside rocks with the Sport Taranaki logo. Anyone finding a Sport Taranaki logo rock could collect one of the 40 prizes, donated by Sport Taranaki, from the LibraryPlus on Saturday 11 November. It was a busy morning with almost every prize claimed.
- 9. In the lead up to the Summer Blast launch a colouring competition was promoted across the District. This was popular across all LibraryPlus, with Hāwera receiving over 100 entries alone. In Kaponga and Eltham LibraryPlus there were 77 entries received, creating a difficult task for judges Councillor Mark Bellringer and Community Board Chairperson Karen Cave.
- 10. Ramanui school has a tradition of visiting the LibraryPlus at Christmas. This year 50 children created a 2024 calendar, made Christmas cards and sang to the Casual Cuppa group. Casual Cuppa member Fred Kumeroa thanked the children, commenting they showed great leadership skills, and their futures were bright.
- 11. Following an inquiry by Tawhiti school, sensory hour has been restarted at Hāwera LibraryPlus. Four Tawhiti school children attended the first session, where artificial lighting is turned off and noise is kept to a minimum. The sensory tent and other resources were set up for them to experience different textures, light etc.
- 12. The summer reading programme, Summer Blast, is back; staff visited schools all around the district to talk about the programme and encourage participation. The programme is designed to combat the summer slide where, over the summer break, children tend to lose knowledge and skills they had acquired during the school year.
- 13. South Taranaki Libraries have listened to community feedback and are focussing on books for Summer Blast, rather than looking at all literacies. The six-week programme is designed for 5–12-year-olds who they are encouraged to read for 15 minutes a day and visit the library three times to talk with staff about what they have been reading.

- 14. During December several events supporting the programme were held around the District, with varying levels of attendance. Throughout January there are events and activities, culminating in finale parties for those children who complete the programme.
- 15. 218 children registered for the programme, that is supported by Lysaght-Watt Trust and Normanby and District Lions Club.

#### **Digital Services**

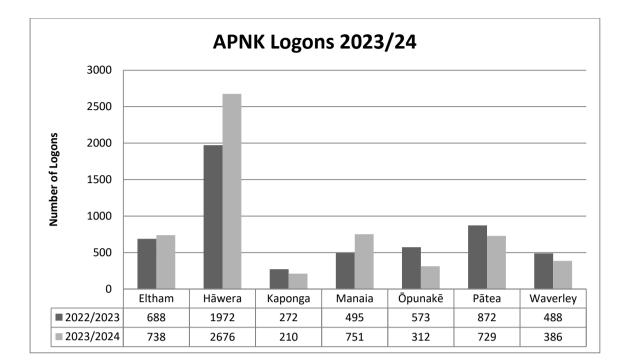

- 16. Facebook posts for the period October-December had a total reach of 17,400 with the highest reaching post at 3,340. Engagements totalled 1,500 (engagements are comments, shares and link clicks).
- 17. In the September report it was noted that, with the change of owner, and the move to X, the Twitter platform was no longer working well for the libraries and most analytics had stopped working. As anticipated, the account has been deactivated.
- 18. Community Outreach Librarian Katherine Bosworth ran a survey among staff to gather information around the technology the libraries hold. Based on the results, the technology crates have been weeded, with problematic tech being removed. There will be several *unplugged* crates developed in the new year, featuring less tech-focussed items, which can be used in programmes for adults and youth.
- 19. APNK services were interrupted for nearly a week at Ōpunakē LibraryPlus as a result of a patron becoming frustrated with social media and damaging both Chromebooks with water. The devices have been sent away for repair or replacement. In the meantime Hāwera LibraryPlus has loaned one chromebook and APNK has supplied another.

#### Ngā Tauanga / Statistics

#### Wi-Fi and Aotearoa People's Network Kaharoa (APNK) Usage

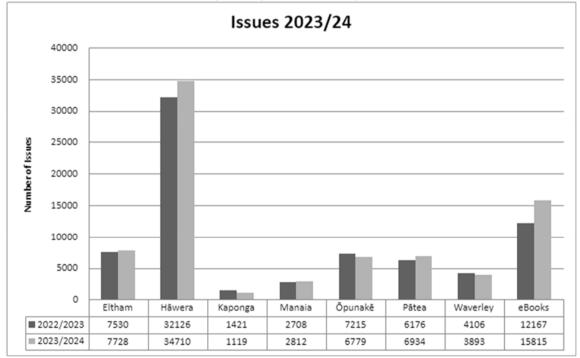

- 20. In October and November there were 74,174 minutes used on APNK and 2,127 logons, comparted with 63,914 minutes and 2,049 logons for the same period in the year prior. Statistics for December were not available at the time of writing this report.
- 21. In the second quarter of the 2023/24 financial year the Wi-Fi was used 9,464 times compared with 10,230 for the same period in the year prior. Statistics for December were not available at the time of writing this report.
- 22. The increase in use of the APNK is mainly in Hāwera and Manaia, with Eltham showing a small increase. Conversely, use is dropping in Ōpunakē, Pātea and Waverley. The District team is unsure what is driving this change, as traditionally the digital divide has been most apparent in our lower decile towns.

The table below shows APNK usage for the 2023/24 year.

#### Circulation

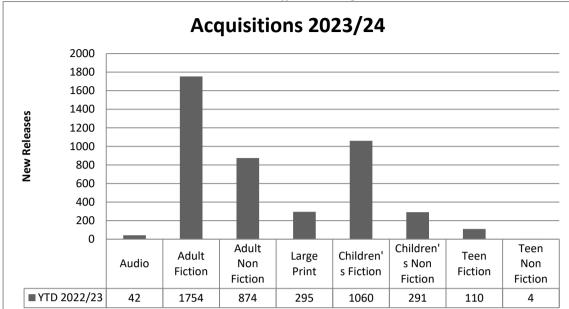

23. Issues for the second quarter of the financial year were 39,389 compared with 36,625 for the same period in the year prior.

The table below shows the number of issues for the 2023/24 year.

#### **New Resources**

24. The acquisitions department processed 4,430 resources and distributed them across the seven LibraryPlus branches in the second quarter of the financial year. Of these, 33% were for children and teens.

The table below shows the new releases in the different categories.

#### Membership

25. Membership of the libraries stands at 13,324 or 54% of the population.

#### Whakakapia / Conclusion

26. The LibaryPlus have been busy during the last quarter of 2023, with a wide range of events and activities. Feedback on the move back to a more reading-focussed summer reading programme has been positive, and staff are looking forward to celebrating with those children who complete Summer Blast. As 2024 begins staff are focussed on providing safe spaces, with interesting materials, events and programmes catering to wide diversity of people that make up our district.

## Pūrongo-Whakamārama Information Report

Subject	Environmental Services Activity Report
Date	24 January 2024
From	Tuarua Kaiarataki Taiao / Group Manager Environmental Services, Liam Dagg
То	Eltham-Kaponga Community Board

(This report shall not be construed as policy until adopted by full Council)

#### Whakarāpopoto Kāhui Kahika / Executive Summary

- 1. This report updates the Eltham-Kaponga Community Board on activities relating to the Environmental Services Group (the Group) for the months of November and December 2024.
- 2. The Group is comprised of four business units:
  - a) Planning and Development;
  - b) Quality Assurance;
  - c) Regulatory Services; and
  - d) Environment and Sustainability.
- 3. The first part of the report goes through the operational activities for each of the business units. The second part of the report provides an update on key projects and programmes.
- 4. Key points to note for the months of November and December:
  - a) There is a downward trend in consenting activity for both building and resource consents.
  - b) There was a sharp increase in noise complaints during December, which is not uncommon given the time of the year (festive season).

#### Taunakitanga / Recommendation

THAT the Eltham-Kaponga Community Board receives the Environmental Services Activity Report.

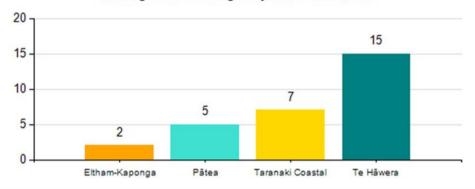

#### Ratonga Hanga Whare / Building Control Services

5. Below are the statistics for Building Consents.

- 6. Building consent processing numbers are on a downward trend; the monthly average last financial year was 48.
- 7. Building inspections are also showing a drop. The average monthly rate for the preceding year was 243 (2916 inspections for the year)

#### Building Consents lodged by Ward - November

Building Consents lodged by Ward - December

- 8. Te Hāwera Ward saw the most building activity across both months. Note the data in the above graphs excludes applications to amend building consents already lodged.
- 9. Below are the Building Consents lodged by type. Across both months the main activity has been residential in nature compared to commercial. New dwellings are also seeing a decrease.

Category	Activity	Eltham- Kaponga	Pātea	Taranaki Coastal	Te Hāwera	Total

#### Ratonga Whakamahere Taiao / Planning Services

- 10. Below are the statistics for Resource Consents.
- 11. Similar to building consents, resource consent lodgements are showing a decrease. During the last financial year (183 granted) the monthly lodgement average was 15. Subdivision is the main type of activity compared to land use applications. Subdivision produced lot yields in all wards, with Taranaki Coastal seeing a significant increase.

Application Activity	December 2023	November 2023	October 2023	YTD From 1 July 2023	December 2022	November 2022
Lodged	13	12	17	62	9	25

12. The Quality Assurance Team has managed the processing of LIMS since July 2023. Below are the statistics for LIM applications received in November and December 2023.

LIM Applications	December	November	October	YTD From 1	December	November
	2023	2023	2023	July 2023	2022	2022
LIM Application	9	14	11	74	12	13

#### LIM Applications by Ward – November

#### LIM Applications by Ward – December

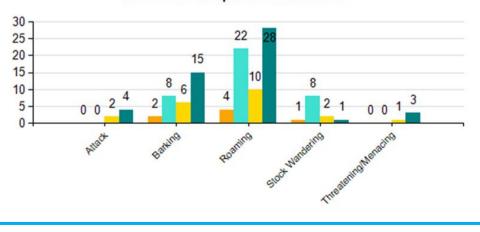

13. LIMs for residential and rural properties have been the most frequently applied for type, compared to commercial/industrial. Te Hāwera Ward has seen the most activity compared to other wards, although it could be argued that Eltham-Kaponga was a focus in November, and Taranaki Coastal in December.

#### **Ratonga Waeture / Regulatory Services**

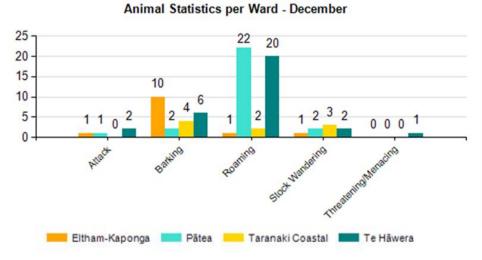

Service Requests Animals	December 2023	November 2023	October 2023	YTD From 1 July 2023	December 2022	November 2022
Attack	4	6	1	24	7	2

Stock Wandering	8	12	3	49	14	8
Threatening/Menacing	1	4	4	19	5	5

14. Below are the statistics for Customer Service Requests relating to animals.

15. November was a high-volume month for all animal control callouts. Roaming dogs in Pātea was on par with Te Hāwera Ward for the first time in a long time during December.

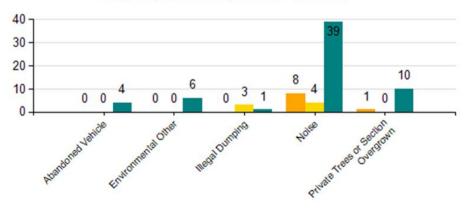

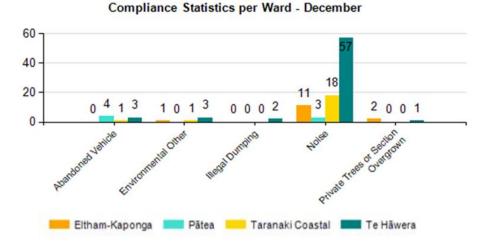

16. Below are the statistics for Customer Requests relating to other regulatory compliance matters. A significant increase in noise complaints over December is the main feature, although not unexpected given the festive season. Te Hāwera was the main area of incidents across all activity types.

Service Requests Compliance	December 2023	November 2023	October 2023	YTD From 1 July 2023	December 2022	November 2022

Compliance Statistics per Ward - November

#### Rautaki Kaupapa me ngā Hōtaka / Strategic Projects and Programmes

#### **Environment and Sustainability Team**

#### Waste Management and Minimisation Plan (WMMP)

17. South Taranaki District Council's WMMP's special consultative process is now complete, with 777 submissions being received. A wide variety of feedback was received and the majority of it was in regard to the potential changes to the residential kerbside collection. The WMMP was adopted in December, with no significant changes to what was proposed.

#### Waste-ED Business Workshop with Katie Fenwick (nee Meads)

18. The workshop held on Tuesday 31 October aimed to address the challenges and barriers that businesses often face when striving to implement sustainable behaviour within their organisation, as well as strategies to deal with avoidable waste as a result of their business activities. The session focused on waste minimisation and how businesses can employ measurable waste reduction practices in the workplace. It also looked at exploring ways to overcome the common challenges faced with gaining buy in from both staff and stakeholders. There was good discussion from the participants about their waste streams from laboratory equipment, packaging from riparian plantings, predator trapping, office waste to nappies, and food waste to name a few.

(This report shall not be construed as policy until adopted by full Council)

#### Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report provides a combined update of activities of the Economic Development and Tourism units, including highlights of the key activities undertaken at the South Taranaki i-SITE Visitor Centre.

#### Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the Quarterly Economic Development and Tourism Report to 30 September 2023.

#### Whakawhanake Ohanga / Economic Development

#### South Taranaki Business Park

- 2. Significant progress has been made with enabling infrastructure in the South Taranaki Business Park West End Precinct. This includes a 360m extension to Fitzgerald Lane, a 170m portion of new road and underground services and earthworks to enable 13 stage one lots, many of which are already tenanted. Work continues on an upgraded intersection at Fitzgerald Lane and Little Waihi Road, Hāwera.
- 3. Four shortlisted contractors for the construction of a wastewater pump station, roading and three waters infrastructure on Fitzgerald Lane, Little Waihi Road, Kerry Lane and Waihi Road (SH3) participated in Early Contractor Involvement (ECI) workshops in August. These workshops included discussions on capacity, timing, methodology, subcontractors, risks and mitigations, opportunities and specific experience such as pump station builds.
- 4. Following the ECI, the project proceeded to a Request for Tender and the responses are expected in November.
- 5. The construction programme will continue in early 2024.

#### Te W'anake The Foundry

- 6. The team at Te W'anake The Foundry have been busy building the coworking community by attracting new customers and developing an events programme for members and the wider community.
- 7. The venue now has customers from nearly 70 businesses and community groups and the private offices will all be leased by the end of this year.

#### **Bizlink Business Workshops**

- 8. The Council's Business Development Team organized a series of business workshops as part of the Bizlink Hāwera annual plan. Designed to provide a variety of business and personal development opportunities, the series includes four events. The topics this quarter were video content creation, finding your strengths in business and visionary leadership of self and others. Attendance was excellent, and participants came from a range of industries and business stages.
- 9. The final workshop in the series this year is Pitch Perfect (to give participants confidence in public speaking and telling their brand stories).

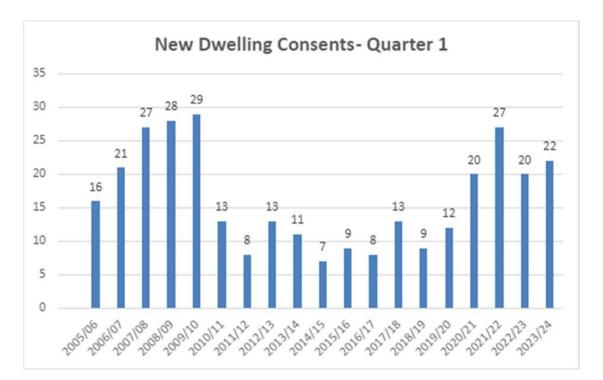

#### Startup Weekend Taranaki

- 10. Hāwera hosted Startup Weekend Taranaki for the second time in September. Run at Te W'anake The Foundry over 54 action packed hours, participants pitched their business ideas, received innovation training, met excellent mentors, co-founders and funders. The weekend resulted in four exciting startups Refill-It, Gift Genius, chatFrame and Gravity Grip, with Refill-It taking out the win.
- 11. One of the benefits of the weekend was showcasing a range of local catering for participants who had come from throughout Taranaki as well as Whakatane, Palmerston North, Hamilton and Auckland.
- 12. The Council's Business Development Team all participated this year, joining separate teams. The team learnt new skills in lean canvas methodology, problem solving, validation and building a viable business which will be valuable in their work with the local business community.

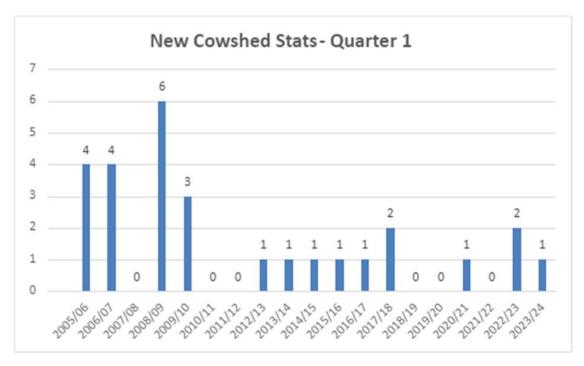

#### **New Building Consents**

13. Building consents are reviewed with the number of new dwelling building consents collated and recorded to provide an indication of the state of the construction industry. There were 22 new dwelling consents for the last quarter.

14. Similarly, with new dwelling consents, the number of new cowshed consents are recorded as one tool to monitor confidence in the dairy farming industry.

#### Whakatairanga Tāpoi me to Rohe / Tourism and Regional Promotion

#### **Tourism and Promotion**

15. Venture Taranaki attended the NZ Cruise conference in August. The conference was an opportunity to connect directly with inbounders and cruise handlers, as well as cruise line representatives and destination managers and provide them with the Cruise Taranaki

prospectus. This has since resulted in one cruise liner that currently doesn't come into port seriously considering Taranaki as a destination.

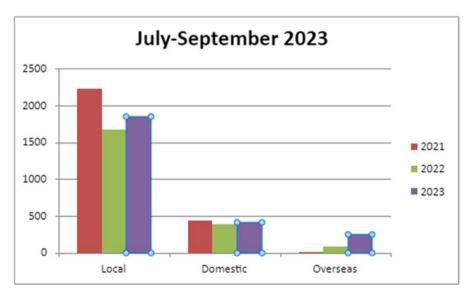

- 16. In August Venture Taranaki hosted a team from a large American film production company who were looking at locations for the filming of a high profile international film. Feedback was very positive from both the Producer and Director, and we are waiting to hear the outcome. Securing this film would not only profile the region on an international scale, but it would also bring a film crew, cast and support to the region for multiple days to weeks.
- 17. A hui for South Taranaki operators was held at Ōhangai at the end of August, bringing together over 20 people who share a passion for building the South Taranaki tourism industry.
- 18. Taranaki has been successful in winning the rights to host the Business Events Industry Aotearoa Conference in 2024. The event will attract approximately 170 event professionals to the region and will promote Taranaki as an events and conference destination.

#### South Taranaki i-SITE Visitor Centre

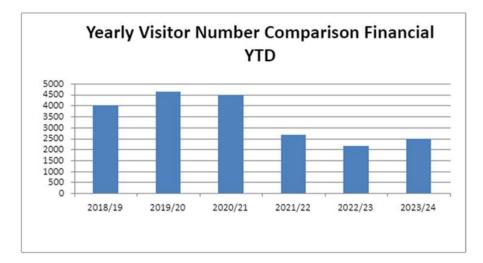

19. There has been strong support for the local shows and events, including Hāwera Repertory's Christmas Crackup 2, and the Council run Christmas Caberet with tickets on sale now. The Centuria Taranaki Garden Festival will run in October and November which brings many visitors to the District.

#### **Visitor Statistics**

20. The following graph has been provided to show the i-SITE visitor trends that have occurred over the past three years. With international borders open and domestic travel increasing, we are seeing more people travelling around the region. It is good to see an increase in the number of overseas visitors.

21. The following graph has been provided to show the i-SITE visitor trends that have occurred over the past six years.
