1. Whakatakoto Kaupapa Whānui, Whakaaturanga hoki / Open Forum and Presentations

1.1 Sarah Capper-Liddle – District Plan Change

The consultation for the proposed Papakāinga District Plan changes opened on Monday 15 April and closed on Monday 13 May. Papakāinga development was defined in the District Plan to allow multiple dwelling units and Marae to be put on a single site typically on Māori freehold land. Through the District Plan change it was proposed to allow Papakāinga development on general title land. The proposed changes would not affect Papakāinga development on Māori freehold land but would include general title land as well. The proposed changes also included the removal of the density requirements on general title land for Papakāinga development.

Submissions could be made online through the Council's website and hard copies were available at the LibraryPlus, the Hāwera Administration Building and in the newspaper.

In response to a query regarding who could put multiple dwellings on a single site it was noted that this was only permitted for Papakāinga development.

1.2 Karen Cave on behalf of Llew Eyon – Eltham RSA

Ms Cave read a letter on behalf of Llew Eyon in support of the funding application from the Fltham RSA.

4.1 Eltham Field Gun

It was noted that the group working on the Eltham Field Gun had initially underestimated the work required. The new aim was either Armistice Day 2024 or ANZAC Day 2025. There had also been other issues that had contributed to the delay in completing the work.

4.2 Local Security Cameras – Kaponga

Following a recommendation at the last meeting contact had been made with the Soccer Club regarding security cameras in Kaponga. It was noted that there were only three incorporated societies in Kaponga and one was not eligible to apply for funding.

4.3 Tayler Street Dog Park – Old Soccer Club Rooms

The Board had been thanked for the funding that had been allocated. It was noted that quotes were being sought for the removal of the concrete pad.

5. Pūrongo-Whakamārama / Information Reports

5.1 Community Development Activity Report

The report provided updates to the Board on progress with community development projects and activities across the District and other items of interest.

The work was underway to revitalise the bollards, lamp posts and seating in Eltham. The accessible toilet at the Kaponga War Memorial Hall had been completed and was able to be used. The Government Policy Statement dictated that new raised crossings could not be installed. Work was being carried out to design roading solutions around the existing raised crossing in Eltham including potential pinch points.

It was queried how long the seats and lamp posts would be gone.

5.2 District LibraryPlus Report – March 2024

The report covered a range of library activities and statistics across the District for February 2024.

LibraryPlus staff had been busy with events including sea week and their school holiday programmes. There had been a movement in America which saw a book get banned purely because of the picture on the front cover. This movement highlighted the importance of ensuring the libraries were a safe and inclusive space while also allowing for freedom of speech. Radio Frequency Identification Tags had been installed in all books across the District in preparation for the completion of Te Ramanui o Ruapūtahanga. A smart shelf had also been installed in the Hāwera LibraryPlus.

It was highlighted that the digital skills for seniors sessions had not been advertised well and it was hoped that better promotion of the sessions could be provided moving forward.

CARRIED

5.3 Environmental Services Activity Report

The report updated the Board on activities relating to the Environmental Services Group for the month of February 2024.

There had been an increase in consenting activity and a decrease in the number of noise complaints following the holiday season. There had been an increase in the number of building consents issued within the statutory timeframes however this was still an area of focus.

RESOLUTION

(Cr Mackay/Mr Hawkes)

24/24 EL THAT the Eltham-Kaponga Community Board receives the Environmental Services Activity Report.

CARRIED

5.4 Facilities Usage Report

The report summarised the total usage of a range of Council owned assets and services, within the South Taranaki District.

25/24 EL THAT the Eltham-Kaponga Community Board receives the Eltham-Kaponga Facilities Usage Report.

5.5 Freedom Camping Site Assessment Report

The Report was presented to gain feedback on the Freedom Camping Site Assessment.

Following the introduction of the Self-Contained Motor Vehicles Legislation Act a review of the Freedom Camping Bylaw was required. It was also an opportunity to review the freedom camping sites. There were a number of changes being proposed for the Eltham-Kaponga Ward which were outlined in the report. With the changes to the Freedom Camping Act freedom camping was permitted on any site owned by the Council unless prohibited.

Since the report was written another option had been recommended for the management of the freedom camping sites which included a town boundary map. These maps would show that freedom camping was prohibited on all sites within the towns other than where it was specifically listed as permitted.

It was highlighted that the residents would be happy with the proposal to prohibit freedom camping at Rukumoana Reserve. It was also noted that there may be push back regarding the proposal to prohibit freedom camping at Connell Reserve.

A report was being prepared for the Policy and Strategy Committee meeting at the end of the month and it was expected that public consultation would be carried out in July and August.

There were concerns raised regarding the lack of public toilets available after hours.

RESOLUTION

(Mr Hawkes/Ms Douds)

26/24 EL THAT the Eltham-Kaponga Community Board receives the Freedom Camping Site Assessment Report and provides feedback.

CARRIED

5.6 Long Term Plan Consultation Document Information Report

The report updated the Board on the Long Term Plan (LTP) Consultation Document.

The Board was reminded of their obligations under the Local Government Act to submit on the LTP. The consultation document was a summary of the LTP and all supporting information could be found on the Council's website.

It was highlighted that the Eltham Town Hall was part of the consultation document and it was important that the Board submitted on the topic.

It was noted that due to the newspaper did not get delivered to Kapong residents did not receive the LTP consultation document. It was suggested that copies of the consultation document should be put into the PO Boxes at the Kaponga Four Square.

Eltham Community Board 23/07/2018	Soldiers Memorial Park The Board would like the plans for Soldiers Park reviewed and progress to be made in line with the a celebration for its 100 year anniversary. The main entrance sign is up, however the pathway sign is still to be completed.	Community Services	Community Development	Information has been received from the Historical Society with potential wording and the board have finalised how they would like this sign to look. This has been handed over to comms who will work through this and get a final copy for review once complete. The sign will not have locations of interest printed on it, and will instead have a QR code which links to our website and has information on Soldiers Park.	30/05/2024
Eltham Community Board 03/09/2018	Eltham Field Gun The New Zealand Antique and Historical Arms Association in Taranaki had expressed their interest in the restoration of the Eltham Field Gun. Restoration would take place in Kakaramea at Hooper's Engineering over a two year period and then the gun would be returned back to Eltham. The location on its return needed to be decided however it had been recommended that the gun be situated under a roof.	Community Services	Community Development	An update was received April 27th 2024. Due to the considerable damage to the trail of the gun, the restoration has become more complex. This is the result of the gun being buried for 40 years at Tamata Park and long-term exposure. Some of the assistance promised has not happened, economic downturn etc having been sighted as the reasoning behind this. The coordinator for the work is now in the process of relocating to Stratford. Once he has, they can again reassess and give a better progress update. Armistice day, (11 November) or ANZAC 2025 have been suggested as potential completion dates.	25/04/2025
Eltham-Kaponga Community Board 04/07/2022	Eltham Youth Projects Graffiti panels at Soldiers Park	Community Services	Community Development	Youth project for both Kaponga and Eltham. START in Kaponga has been engaged with, to use their artist to complete workshops. An artist who has had experience working with youth, met to discuss artwork for Soldiers Park. Options discussed were painting areas of the skate park and a mural on the concrete wall. With the focus of involving youth, It's suggested the concrete wall being phase one will start in Term 3 2024 and phase 2 of the project will be the skate park art. Funding avenues are being investigated.	1/11/2024

Subject Community Development Activity Report

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report updates the Eltham-Kaponga Community Board on progress with community development projects and activities across the District and other items of interest.

Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the Community Development Activity Report.

Ngā Kawenga-ā-rohe / District Activities

Roadsafe Taranaki

- 2. The annual Advanced Driver Training weekend on 13 and 14 April in Hāwera had 189 people registered. For the first time in the 20 years of running this event, we had a waiting list of 25 people after filling up all the available time slots. Unfortunately, the weather was terrible, but close to 140 people still braved the conditions to complete the 2-hour course.
- 3. Year 11 students at Te Paepae o Aotea enjoyed a day of road safety education when attending the Roadsafe Taranaki Ready2Drive workshop held on-site at the school. Students were split into groups and spent the day interacting with different activities including presentations from some of our partners NZ Police, ACC, and St John. The Roadsafe Taranaki team are planning to deliver the same type of workshop at Stratford High School during Term Two.
- 4. The school advisors are currently finishing delivery of bus safety brochures and resources to schools. All feedback has been positive and many schools have rebooked Roadsafe Taranaki staff to deliver bus safety education to students.

State Highway Design – Eltham and Waverley

5. The proposed pinch points for Eltham have been approved by the Waka Kotahi (New Zealand Transport Agency) and are currently being drafted for tender. Installation is scheduled to commence at the end of May, with completion expected in June 2024.

6. Following the release of the Government Policy Statement in April, the proposal for a raised platform in Waverley has been removed from consideration. To enable the safety of our community, the designers are focusing on creating four refuge crossings, including one near Waverley Primary School, to ensure safe crossing for students and families at the northern end of Weraroa Road, Waverley SH3.

Te Takiwā o te Hāwera / Hāwera Ward

Hāwera Skatepark Designs

7. Empower Youth played a pivotal role in this project and contributed to the design, which was the result of a collaborative effort. The chosen artwork has enhanced the community space, complementing the previous Skateboard art pieces completed in 2023.

Hāwera Dog Park - Kamahi Avenue

8. Dual fencing will be installed at the Kamahi Avenue entrance to the Hāwera Dog Park. This allows dog owners to safely take their dogs off-leash and reduces the risk of dogs escaping onto the road. Work is scheduled to be completed before June 2024.

Te Takiwā o Pātea / Pātea Ward

Pātea Loop Track

- 9. The Pātea Loop Track has seen progress since its blessing. Aotea Utanganui Museum, Ngāti Ruanui, and TGM Designs have been collaborating on creating content for six information boards to complement the existing ones on York Street. These boards will showcase historical events, locations, and sites significant to mana whenua, the community and Pātea.
- 10. A Ngāti Ruanui/Ngā Rauru designer is working alongside TGM to design these boards, ensuring that they authentically represent the cultural and historical significance of the area.

Pātea Town Revitalisation

- 11. The last Pātea Town Revitalisation hui was held on 30 April at the Hunter Shaw building. It was decided to take a step back to revisit the original objectives of the revitalisation project and strategically create a roadmap outlining the key projects and associated timeframes and budget.
- 12. The codesign group have decided to broaden the community engagement to capture more viewpoints and ensure all voices are heard. As part of this approach, a Pātea Community meeting will be held on Wednesday 19 June at the Pātea Māori Club.

Egmont Street, Pātea - Speed Cushion

13. The installation of the traffic calming measures on Egmont Street in Pātea will be carried out in two stages. The first stage will involve the installation of the speed humps, followed by the raised platform. Work is scheduled to start in May, and is anticipated to be complete by the end of June. This phased approach will minimise disruptions to the community while ensuring that the safety enhancements are implemented efficiently and effectively.

Wairoa-Iti / Waverley Town Revitalisation

14. The Waverley Town Revitalisation codesign group have a community meeting scheduled for Wednesday 29 May. This meeting presents an opportunity to gather feedback from the wider community to form the roadmap for implementation.

Te Takiwā o Arakamu ki Kaponga / Eltham-Kaponga Ward

Eltham Town Revitalisation

- 15. As part of the Eltham Town Revitalisation vision, various features such as bollards, lamp posts, bins and seats in Eltham have been removed to undergo repainting. Work is expected to finish in May with all elements reinstated.
- 16. The elements have been painted with colours that match the newly designed wayfinding signage. These signs will be strategically placed in key areas. At present, three Bridger Park signs have been installed, located on Bridge Street, Stanners Street, and at the entrance to the car park. Quotes for seating have been received for Bridger Park to enhance its appeal as a destination for visitors. Purchase and installation is still to be arranged.
- 17. The Stark Park sign has been redesigned to include past historical details. It will be updated with a current map and photos, all to be featured on the sign for Stark Park following its development.

Te Takiwā o Taranaki ki Tai / Taranaki Coastal Ward

Öpunakē Town Revitalisation

18. As part of the consultation process for the proposed greenspace on Napier Street a community meeting was held on 8 May. Consultation closed on 15 May and an Extraordinary Council meeting will be held on 12 June to hear submissions on the proposal in Ōpunakē's Town Hall.

Öpunakē Pump Track

19. The construction of the pump track began in April and lasted four weeks. Two safety signs tailored to the track's usage were designed and installed. A blessing ceremony was held on 16 May to mark the completion of the Ōpunakē pump track. Following the blessing, fences were removed to permit community access and use.

Subject District LibraryPlus Report - March and April 2024

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report covers a range of library activities and statistics across the District for March and April 2024.

Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the District LibraryPlus Report for March and April 2024.

Ngā Kawenga-ā-Whare Pukapuka Āpitihanga / LibraryPlus, Activities

Public Outreach and Events

- 2. Kuppa Kōrero were held in the LibraryPlus across the District to promote the Long Term Plan (LTP) Consultation Document. These conversations have often broadened into discussions about libraries in general. IFLA (International Federation of Library Associations) notes that libraries are structures for democracy and freedom of speech and have an important part to play in the education of citizens in order to participate in democracy.
- Deaf Aotearoa have received funding enabling them to continue with the monthly Access Centre that has been ran for the deaf community in South Taranaki. This is an opportunity for this community to meet up and access information, advice and support.
- 4. There are a range of book clubs across the District. In Eltham, the Adult Book Chat is held on the first Tuesday of the month. There are many recommendations shared over a cuppa and groups also browse through a selection of the latest fiction.
- 5. Across New Zealand, libraries are seen as safe, inclusive spaces where anyone is welcome and South Taranaki is no exception. This trusted relationship can enable conversations and connections which might not work as well in other settings. Recently, Pātea LibraryPlus hosted an interview training workshop with the Ministry of Social Development and the Mayor's Taskforce for Jobs (MTFJ) Workforce Co-ordinator. They have asked to use the office on a regular basis to touch base with the participants.

Children's Services

- 6. Staff use themed days and weeks to increase connection with schools and other education facilities. During Seaweek, Hāwera LibraryPlus Officer two classes were visited at Tawhiti School; Staff took books, seashells, and a craft. The shells allowed children to listen for the sea, which prompted discussions on how this was possible, and children created fish with shimmering scales. The visit prompted the school to ask for a technology session. This demonstrates the value of making connections within our communities.
- 7. Each LibraryPlus looks for ways to connect with youth that suit their community, taking into account school bus timetables, the percentage of children that are schooled out of town and so on. In Ōpunakē, staff find passive programming works well, with children picking up a *Grab a Bag* to take home. The *Grab a Bag* poster invites children to 'take one, make one' and is fresh and bright. The craft bag trolley is popular, and all bags placed on the trolley are always taken; craft bags often relate to various themes, holidays or events.
- 8. The Legends of books book club in Pātea has grown in numbers. Children talk about what they have been reading and new books are put out for them to select from. Not all offerings run as smoothly. Pātea's Lego Club has yet to get off the ground and Eltham and Waverley's Storytime often have only one or two children attend. Staff continuously assess what can be done to ensure these sessions are meeting the needs of the community, are well advertised, on the right day, and all the other variables which impact on success.
- 9. The recent school holidays were themed around World Book Day. The first week of the school holidays, STDC Arts Co-ordinator entertained the children by helping them create their own book using coloured paper, collage paper, stamps, and paints to decorate. Once decorated, they wrote in them and were assisted to bind the books. This session was very well attended in both libraries.
- 10. Preparation is underway for a Teen Reading Programme to start in May. The programme is called *In three words* which was designed in collaboration with Puke Ariki, Stratford Libraries and South Taranaki LibraryPlus. The artwork for this programme was designed by a Pātea student who won the Manga Art Competition held in 2022. The programme is a passive programme which teens can win prizes by reading and reviewing books. Our Libraries are places where teenagers tend to come in, hang out and then leave. It's not often we see them coming in to engage with staff. This programme has been designed to help build the relationships between teenagers and their local Library, encouraging a positive interaction with as few barriers as possible.

Digital Services

- 11. Facebook posts for March had a total reach of 5,800, with the highest reaching post at 2,800. The highest engagement (clicks, likes, comments, shares) for one post was 33, with a total engagement of 193 for the month.
- 12. Facebook posts for April had a total reach of 16,100, with the highest reaching post at 4,200. The highest engagement (clicks, likes, comments, shares) for one post was 48, with a total engagement of 322 for the month.
- 13. Hāwera staff have been introducing customers to the two new RFID-enabled kiosks. One is for self-checking out and the other is a Smart Returns shelf which automatically returns people's items off their library card. Installing these in the present library enables patrons and staff to become familiar with the technology prior to the move to Te Ramanui o

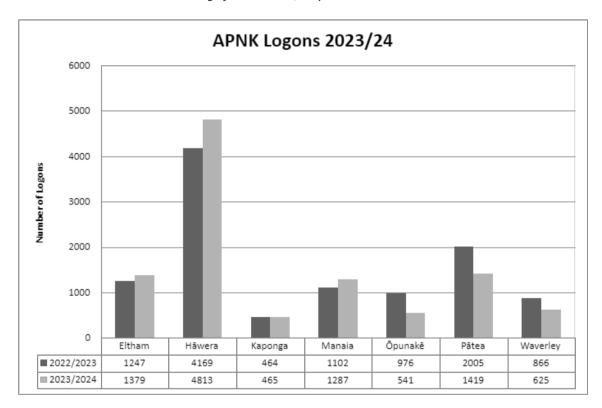

Ruapūtahanga. It's a great opportunity to connect with patrons who are embracing using the new technology.

Ngā Tauanga / Statistics

Wi-Fi and Aotearoa People's Network Kaharoa (APNK) Usage

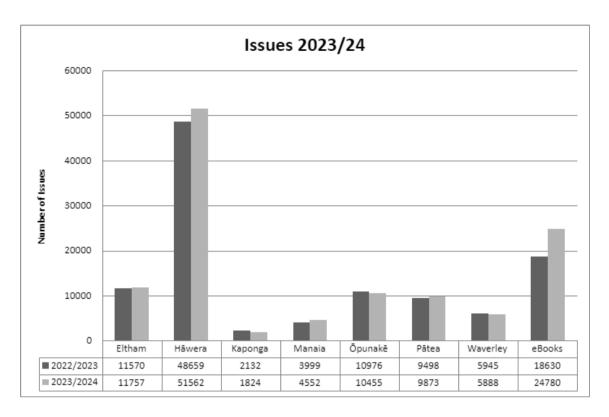

- 14. In March there were 52,229 minutes used on APNK and 925 logons, compared with 45,930 minutes and 1,143 logons for the same period in the year prior. The April statistics are not yet available.
- 15. In March the Wi-Fi was used 5,237 times compared with 5,946 for the same period in the year prior. The April statistics are not yet available.

The table below shows APNK usage for the 2023/24 year.

Circulation

16. Issues for March were 13,377 compared with 12,887 for the same period in the year prior. Issues for April were 13,494 compared with 12,929 for the same period in the year prior.

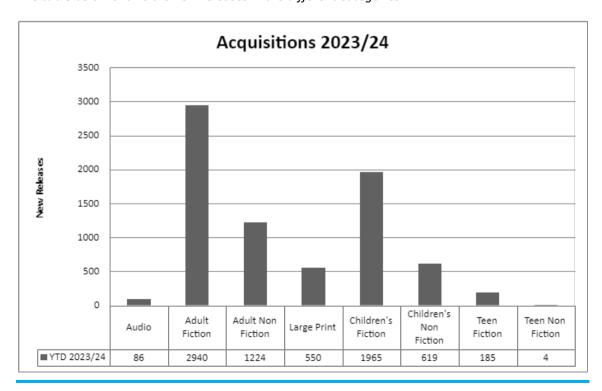

The table below shows the number of issues for the 2023/24 year.

New Resources

17. The acquisitions department processed 7,573 resources and distributed them across the seven LibraryPlus branches in the first ten months of the financial year. Of these, 37% were for children and teens.

The table below shows the new releases in the different categories.

Membership

18. Membership of the libraries stands at 13,581 or 55% of the population. This is a small decrease from January, due to the Systems Librarian reviewing memberships.

Whakakapia / Conclusion

19. March and April were busy months, with a wide range of events and programmes for adults and children, many of them not specifically library focused. This fits well with our role as a safe, inclusive space where citizens are enabled to participate in a democratic society. At a time when many libraries across New Zealand are facing significant pressures, including restructures, we are well positioned to serve our residents and ratepayers.

Taunakitanga / Recommendation

THAT the Eltham-Kaponga Community Board receives the Environmental Services Activity Report.

Ratonga Hanga Whare / Building Control Services

5. Building consent activity is stable with the number of consents being lodged per month, but overall, the lodgement numbers are down on what was being lodged year-to-date at the same time last financial year (Table 1). Statutory compliance remains an area under review in terms of what other measures can be put in place to improve turnaround times.

Table 1. Building Consents Statistics Summary

7. Commercial activity is not high compared to residential work across the two reporting months (Tables 2 and 3). New dwelling lodgements are low compared to what was being seen in 2022 and 2023. Te Hāwera is where most of the new houses are being constructed.

8. Resource consents are also seeing a decrease, similar to building consents. For both lodgements and consents granted, the numbers are well down on activity when compared to the same time last year (Table 4).

9. Subdivision remains strong compared to land use resource consents (Table 5). Most of the land use consent activity has been in Te Hāwera (Figures 3 and 4). Subdivision activity was across all four wards, with the highest lot yields in Taranaki Coastal during March (Figure 5) and Te Hāwera in April (Figure 6).

10. Request for Land Information Memorandums (LIMs) saw an increase in April, and this activity is strong compared to the same time last year (Table 6). Of interest is the commercial LIMs that have been applied in wards other than Te Hāwera (Figures 7 and 8).

11. The statistics for Customer Service Requests relating to animals is shown in Table 7. March and February were bad months for dog attacks, and year to date there have been a higher number of dog attacks compared to the same time last year. While the monthly trends for barking and roaming dogs have been consistent month on month for 2024, a positive is the overall decrease in both categories when compared to the same time last year. The same can also be said for wandering stock and reports of threatening/menacing dog behaviour.

Table 7

Threatening/Menacing	1	5	2	3	41	31

12. Most of the barking and roaming dog call outs were in Te Hāwera ward during March and April (Figures 9 and 10). However, dog attacks do not reflect this trend, the other three wards are where these have been reported across the last two months.

Figure 9

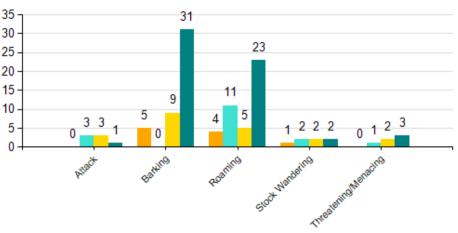

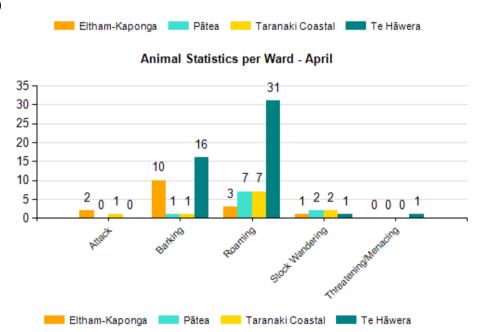

Figure 10

13. The statistics for Customer Requests relating to other regulatory compliance matters are shown in Table 8. Noise complaints in March were high, although this number decreased in April. Abandoned vehicle callouts have decreased since February, but the activity has seen an increase compared to the same time last year. Illegal dumping follows a similar trend, a high number of callouts in March, and the callout is on track with the same time last year. Noise callouts have decreased with the move out of summer. The callouts have been across all four wards, with the highest in Te Hāwera for noise across both reporting months (Figures 11 and 12).

Analysis is also being completed to quantify the planting done since 1990 to better report on our emission off-setting activities.

Business Waste Minimisation

17. Discussions are ongoing with construction, retail/commercial, and marae. The next steps will be to conduct physical assessments of the waste produced by the respective groups and collaboratively look at how we can work towards reducing the waste.

Plan Change Update

- 18. The submission period for Change 3 (Papakāinga Development) has been extended out to 30 May 2024. This was due to a large number of the ratepayers not being directly notified or provided with the Public Notice as part of the recent rating notice mailout.
- 19. Plan Changes four and five are the next two changes that are currently being worked on. Plan Change four is the rezoning of land within the area of the South Taranaki Business Park. As a part of this Plan Change, we are reconfiguring the existing Structure Plans within the District Plan to provide indicative roading layout and reticulated service to assist developers and landowners with an understanding how these areas could be developed. Plan Change five will focus on an updated financial contributions chapter. We aim to notify these plan changes following the adoption of the Long-Term Plan.

Pūrongo-Whakamārama Information Report

To Eltham-Kaponga Community Board

From Kaiārahi Ratonga Kauhoe / Aquatic Services Team Leader, Christina Stieller

Date 29 May 2024

Subject Rural Swimming Pools – End of Season Report 2023/24

Whakarāpopoto Kāhui Kahika / Executive Summary

- 1. The report provides the Community Boards with information on the 2023/24 rural swimming pools' season.
- 2. The report covers the rural swimming pools at Manaia, Kaponga, Eltham, Rāwhitiroa, Pātea and Waverley. Neither the Hāwera Aquatic Centre nor the paddling pool at Ōpunakē Beach are included. The Council supports the Ōpunakē Community Baths by way of an annual grant, plus operational and technical advice as requested by the Baths Committee.

Taunakitanga / Recommendation

<u>THAT</u> the Eltham-Kaponga Community Board receives the Rural Swimming Pools – End of Season Report 2023/24.

Kupu Whakamārama / Background

Staff

- 3. All rural swimming pools were staffed by qualified lifeguards throughout the season. Lifeguards are responsible for lifeguarding, maintaining the safety of the facilities, day-to-day cleaning and presentation, customer service and regular water quality checks. Double lifeguarding was maintained throughout the entire season, although the pools opening days were affected by the decision to close the pool to public where this was not possible.
- 4. Staffing the pools and having available cover is continuing to be challenging. Sickness, leave, early resignations and unexplained absences meant that some pool closures were necessary throughout the season.
- 5. Lifeguard shifts began half an hour before opening time each day to undertake water testing and prepare the pools for public use. Both lifeguards started and finished their shifts at the same time. Rostering patterns ensured that staff did not work over 40 hours per week.
- 6. The pre-season commissioning of the rural swimming pools, water quality management and plant operation was fully managed in-house.

- 7. Advertising for summer lifeguards began in July 2023. These advertisements were at the Hāwera Aquatic Centre, in local libraries, shared on social media pages and emailed to local schools. Two lifeguard courses were held in preparation for the season in September school holidays and in November. In total 24 lifeguards were required for the season, 19 applied and were hired and staff from Hāwera Aquatic Centre were moved around to accommodate the unfilled spaces.
- 8. Council covered all costs to train new lifeguards. In-house trainers were utilised to keep costs low, with the only expense being the Pool Lifeguard Practising Certificate and first aid qualification of \$379.35 per trainee.
- 9. Only eight staff were local to the community summer pools, 11 staff were Hāwera or Stratford based and travelled the distance to work each shift. Ideally, having mature and local lifeguards with a desire to contribute to a service for their communities that provides a fun, recreational space for them would mean more commitment and consistent levels of service at the community summer pools.

Opening Hours

- 10. The rural swimming pool season was from Monday 11 December 2023 to Monday 11 March 2024. Opening hours were 3.30 pm to 7 pm on school days and 12 noon to 7 pm on weekends and school holidays across all pools. Public holidays had an earlier finish of 6 pm in line with the Hāwera Aquatic Centre.
- 11. Pātea opened at the later date of Thursday 14 December. This was due to one lifeguard still needing to complete parts of their qualification and a late application that needed to complete the course.

Unplanned Closures

- 12. There was a total of 41 unscheduled closures across all pools and most of these were due to unavailability of staff.
- 13. Failure of the circulation pump at Waverley Pool caused a 6-day closure while a replacement was obtained and installed.
- 14. Due to high winds, Rāwhitiroa Pool lost power on one occasion and had to close. Rāwhitiroa also faced closures when the well which supplies water to the pool ran dry. Some water was imported from Eltham to top-up the storage tanks and enable pool operations to continue.

Attendances

15. Below are the attendance figures for all rural swimming pools which include public sessions, school groups, private bookings, school lessons, sports days and local swimming clubs. Tally counters were used by lifeguards to record visitor numbers. Measurements may not be exact as headcounts of visitors can be missed while staff members are focused on supervision.

Attendances 2014/15 to 2023/24

	2014/15	2015/16	2016/17	2017/18	2018/19	2019/20	2020/21	2021/22	2022/23	2023/24

Eltham	8,955	8,654	7,024	7,001	8,196	6,947	6,089	4,742	4,047	6471
Pātea	6,573	7,260	6,924	9,948	7,531	6,438	6,643	3,303	5,097	5614
Waverley	7,878	7,723	4,891	6,084	5,503	4,003	3,616	3,019	4,219	3780
Total	46,745	49,978	37,089	46,684	42,844	37,629	35,347	21,350	25,401	29,238

- 16. Attendance numbers continue to be much lower than pre-covid years, this is in part due to the unscheduled closures. However, numbers have continued to rise over the past two years.
- 17. Rural pools were used by local primary schools. An accredited lifeguard must be in attendance for schools to use the rural pools, which is consistent with the Council's key performance indicators and industry best practices. Free lifeguard training was offered to all local schools to have the option to lifeguard their school bookings. Only Rāwhitiroa and Eltham Primary schools put forward a parent to take the course and covered their own swimming lessons. The beginning of the new year school term is when a number of lifeguards leave or return to school and are unavailable during school hours. Having their own lifeguard meant no cancellations due to lifeguard unavailability and the school had the freedom to use the pool as it suited them.
- 18. During term time when schools want to use the community summer pools for their swimming lessons, programmes at Hāwera Aquatic Centre also begin. When a community pool lifeguard is unavailable, it is incredibly difficult to shuffle staff to accommodate all needs.

Vandalism, Break-ins and Unacceptable Behaviour

- 19. During the season several incidents for vandalism, break-ins and unacceptable behaviours occurred. Examples of incidents included:
 - a) Pātea pool had swimmers climbing the fence and utilising the pool pre-season, before any water treatment had been undertaken. Gratings from the side of the pool had been pulled up and thrown into the water as well as chairs, clothes and rubbish.
 - b) There were numerous after-hours calls about swimmers at the Manaia and Pātea pools.
 - c) Overnight vandalism consisting of human faecal matter in the changing rooms at Manaia pool resulted in a closure for part of the next day to allow for clean up. On this occasion the lock on the gate had been unscrewed to allow easier access. On another occasion, clear light roofing was broken as well as a picnic table. These people are unable to be identified as they had covered the CCTV camera with a sock.
 - d) Waverley pool had reports of users after hours together with evidence of swimmers using the Waverley pool after season closure.
 - e) Throughout the season there was evidence of swimmers using Eltham and Rāwhitiroa pools outside of opening hours.

Ö

Health and Safety

- 20. Lifeguards responded to a number of minor accidents during the season, although these were mostly small grazes and minor cuts, giving first aid assistance when needed. All injuries were logged on the incident/accident forms and inputted into the Council's Vault system for recording health and safety events. Injuries of a serious nature are investigated.
- 21. Pātea pool phoned the ambulance during a school swimming sports booking for a student who was having trouble breathing.

Improvements

- 22. The main pool in Manaia had been painted and locks were added to the changing room doors.
- 23. The Kaponga Pool outlet drain is scheduled to be fixed after the water has been discharged from the pool.
- 24. Waverley Pool circulation pump was replaced towards the end of season. This is ahead of a scheduled plant room upgrade which is programmed to begin prior to the end of the financial year.
- 25. Rāwhitiroa pool received a new well pump and timing switch.

Summary

26. To assist the team in maintaining opening hours of the pools throughout the summer it has become obvious that a greater input from the communities would ensure the facilities are fully staffed during the whole season thereby reducing or eliminating unscheduled seasonal closures. For safety reasons the pools need two lifeguards rostered at all times. In the current environment this could be more achievable with support from the people living in those communities.
