Ngā Mahi o ngā Komiti Hapori / Roles of Community Boards

Community Boards are set up under Section 49 of the Local Government Act 2002 (LGA 2002) and their role is detailed under section 52 of the LGA 2002 to:

- Represent and act as advocates for the interests of their community;
- Consider and report on all matters referred to it by the Council or any matter of interest or concern to the Community Board;
- Make an annual submission to the Council on expenditure within the community;
- Maintain an overview of services provided by the Council within the community;
- Act as a channel of communication between the community and Council;
- Undertake any other responsibilities delegated by the Council.

He Karere Haumaru / Health and Safety Message

In the event of an emergency, please follow the instructions of Council staff.

If there is an earthquake – drop, cover and hold where possible. Please remain where you are until further instruction is given.

He Pānga Whakararu / Conflicts of Interest

Members are reminded of the need to be vigilant to stand aside from decision making when a conflict arises between their role as an elected member and any private or other external interest they might have.

CARRIED

1. Whakatakoto Kaupapa Whānui, Whakaaturanga hoki / Open Forum and Presentations

1.1 Anne Sattler – Open Consultations and Speed Reviews

The consultation for the road renaming at the South Taranaki Business Park was now open. Kerry Lane and Fitzgerald Lane required renaming as they no longer fit the criteria of a lane. At the same time renaming of Little Waihi Road was also being considered.

The Freedom Camping Bylaw consultation was also open for consultation. With the changes to the Freedom Camping Act, camping in a tent was now permitted on any council owned land. Town boundary maps were being proposed which prohibited freedom camping within the town boundary unless specifically permitted.

School speed limits were likely to change under the proposed Land Transport Rule for the setting of speed limits. The proposed changes meant that permanent speed reductions would be changed to be during drop off and pick up times.

1.2 Wayne Chapman – Roading and Public Toilets

Mr Chapman raised concerns regarding the speed of traffic travelling through Rāhotu. Due to the nature of the road into Rāhotu vehicles did not tend to reduce their speed particularly at night. It was suggested that better signage was required along with pinch points to help reduce the speed of traffic.

It was highlighted that there were no public toilets in Rāhotu other than the facilities available within the community hall.

There were concerns raised regarding the culverts on Gregory Road. The sides of the culvert had been rebated with rocks however the culverts were not big enough. It was noted that work for the culverts on Gregory Road was scheduled to commence soon.

1.3 Kelvin Putt – Gregory Road

Concerns were raised regarding the speed of traffic travelling past the school. It was highlighted that vehicles were not slowly down during the day as well as at night.

1.4 Ruth Morgan – Public Toilets, Roading and Water Pressure

It was suggested that there needed to be public toilets available for people to stop at when driving through Rāhotu.

It was queried whether pinch points could be installed in Rāhotu to help reduce the speed of traffic.

In response to a query from Ms Morgan regarding the low water pressure in Rāhotu it was noted that the system was an old PVC system that could not handle an increase in pressure. It was highlighted that water metering for all properties was proposed in the later years of the Long Term Plan.

2. Whakaaetia ngā Menīti / Confirmation of Minutes

2.1 Taranaki Coastal Community Board Meeting held on 29 May 2024.

RESOLUTION

(Ms Sinclair/Mrs Willson)

29/24 TC THAT the Taranaki Coastal Community Board adopts the minutes from their meeting held on 29 May 2024 as a true and correct record.

CARRIED

3. Pūrongo / Report

3.1 Local Discretionary Funding Applications

The report provided a summary of the applications received to the June 2024 Local Discretionary Fund including the current status of the Board's Fund.

This was the first funding round under the new policy and the Board had approximately an additional \$20,000 to allocate.

RESOLUTION

(Mrs Willson/Ms Mareikura)

30/24 TC THAT the Taranaki Coastal Community Board receives the Local Discretionary Funding Report.

CARRIED

SPCA New Zealand

A funding application was received from SPCA New Zealand to strengthen Eltham and Kaponga – fostering resilience in financially challenged families/whānau while improving local biodiversity.

It was noted that District wide applications would be presented to the Mayor and Chairs’ meeting before being considered by each individual Community Board. It was recommended that the application be deferred as the presentation of the application was premature and was yet to be presented to the Mayor and Chairs’ forum.

RESOLUTION

(Ms Mareikura/Mrs Willson)

31/24 TC THAT the Taranaki Coastal Community Board defers the funding application from SPCA New Zealand to the August meeting.

CARRIED

4. Ngā Take Kawea / Items for Action

4.1 Manaia Facilities

The draft business case for Project Tūkau had been received and was with the Council and Te Korowai o Ngāruahine for feedback. The business case had been presented to the board of Te Korowai o Ngāruahine and Council a media release would be approved and a presentation would be made to the next Community Board meeting.

5. Pūrongo-Whakamārama / Information Reports

5.1 Community Development Activity Report

The report provided updates to the Board on progress with community development projects and activities across the District and other items of interest.

A meeting had been held with the Ōpunakē co-design group to discuss the outcomes of the proposed greenspace consultation. A report was being presented to the next Policy and Strategy Committee meeting to seek approval to move to the next steps.

RESOLUTION

(Mrs Willson/Ms Mareikura)

32/24 TC THAT the Taranaki Coastal Community Board receives the Community Development Activity Report.

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report provides a summary of the applications received to the August 2024 Local Discretionary Funds (the Fund) including the current status of the Board's Fund. Revised budgets have been included in [Appendix 1](#) inclusive of any carryover from the 2023/24 year.
2. Each Community Board has the delegated authority to approve grants qualifying for Local Discretionary funding as per the Community Funding Policy.
3. This is the first funding round where district wide applications have been received by Community Boards. Organisations undertaking a project that has a District-wide impact can request funding from all four community boards through the completion of a District-wide application form. Decisions on District-wide applications will be made quarterly after being discussed at the Mayor and Chairs forum, who will recommend a final decision to be made at all four Community Board meetings the following week.

Taunakitanga / Recommendation

THAT the Taranaki Coastal Community Board;

- a) Receives the Local Discretionary Funding Report.
- b) Receives any applications (if applicable) requesting funding assistance from the Local Discretionary Fund and;
 - i. Approves to fund the application(s) for the amount requested; or
 - ii. Approves to fund the application(s) for a different amount; or
 - iii. Defers the application(s) to the next funding round; or
 - iv. Declines funding for the application(s) submitted.

Kupu Whakamārama / Background

4. The purpose of the Fund is to fund projects within the ward or district that encourage groups with non-profit making or charitable aims to develop services, facilities, amenities or programmes for the benefit of the community.

5. Applications must meet the funding conditions outlined on the application form which are set through the Community Funding Policy.
6. Within a triennium, any funding unallocated by a Board at the end of the financial year will be carried over and added to the next financial years' distribution amount.
7. The Fund balances are set for each financial year are currently based on Census population data, a reallocated amount from the retired Community Initiatives Fund, plus any carry over funding from the previous year. The amounts are as follows for the 2024/25 year:

Eltham-Kaponga Community Board	\$31,085.00
Te Hāwera Community Board	\$56,249.00
Taranaki Coastal Community Board	\$36,638.29
Pātea Community Board	\$33,142.87

Local Government Purpose

8. The purpose of Local Government is: "to promote the social, economic, environmental and cultural well-being of communities in the present and for the future". Funding projects that meet the criteria of the Funds meet the Social, Economic, Cultural and Environmental well-being of the community.

Ngā Kōwhiringa / Options – Identification and analysis

9. One application has been received for the Eltham-Kaponga Ward and another four District wide applications have been received.

Option(s) available

10. The possible options for each application are:
 - a) Option One: Approve the application for the requested amount; or
 - b) Option Two: Approve the application for a different amount; or
 - c) Option Three: Defers the application to the next funding round; or
 - d) Option Four: Decline the application.

Whaiwhakaaro me ngā aromatawai / Considerations and Assessments

11. Each application should be considered against its alignment to the purpose of Local Government as well as the extent to which the projects meet the overall Fund objectives and criteria.

Ineligible for funding

- a) Travel costs
- b) Gifts
- c) Conference attendance
- d) Food and catering costs
- e) Rates relief
- f) Applications from Regional Sporting Organisations
- g) Applications from other Government departments

- h) Retrospective funding

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report updates the Taranaki Coastal Community Board on progress with community development projects and activities across the District and other items of interest.

Taunakitanga / Recommendation

THAT the Taranaki Coastal Community Board receives the Community Development Activity Report.

Ngā Kawenga-ā-rohe / District Activities

RoadSafe Taranaki

2. Two members of the RoadSafe Taranaki partnered with Waka Kotahi and other road safety personnel across the North Island to deliver road safety education at the Mystery Creek Fieldays in Hamilton from 12 - 15 June 2024. More than 2,000 people received free “restraint” education over the four days.
3. The Wheel of Questions has been scheduled at all South Taranaki libraries in the coming months. The questions are road code or road user behaviour-based questions on coreflute wedges that are interchangeable. All questions have either “Yes” or “No” as the answer.

Hāwera LibraryPlus	Thursday 15 August 2 – 4 pm and Friday 13 September 10 am – 12 pm

Kaponga LibraryPlus	Thursday 28 November 2 - 4 pm

State Highway Design – Eltham and Waverley

4. The Eltham State Highway project has been completed ahead of schedule, with execution finalised before the end of June 2024.
5. The red painted sections of the Eltham 'Main Street' (State Highway) serve as a visual cue to alert drivers that they are entering the town centre, where pedestrian activity is higher. The vibrant colour is intended to grab attention, encourage drivers to reduce their speed and exercise greater caution.
6. In the absence of other traffic calming measures, due to the status of the road as a State Highway, these cost-efficient measures aim to enhance safety by making drivers more aware of their surroundings and the presence of pedestrians, thus fostering a safer and more pedestrian-friendly environment in the town centre.
7. The Council is continuing to monitor the red-marked area after being informed of some confusion among pedestrians who mistake it for a pedestrian crossing. While the initial aim was to slow vehicles, this potential issue is under observation. If confirmed, it will be raised with Waka Kotahi for resolution.
8. The Waverley State Highway Project started on Monday 24 June 2024. All four refuge crossings were installed and completed at the end of July 2024. The subsequent work included the installation of bins and new lighting to complement and match the town revitalisation project, and new decking to highlight the heart of Waverley. This project was funded by Waka Kotahi.

Town Revitalisation – RoadMap to Revitalisation

9. The purpose of the proposed Town Roadmaps to Revitalisation is to create a comprehensive and visually compelling document that, recognises all the work done to date, and clearly articulates and lays out the community's vision, plans, priorities and sequencing, and dollar spend for the towns of Waverley, Pātea, Eltham and Ōpunakē. The intention is to capture the 3 year funding cycle in detail and the 5 to 10 year development vision but without budget.
10. The RoadMaps will articulate the following:
 - Vision and goals
 - Key projects: brief descriptions of each preferred capital works project.
 - Timeline: a visual timeline showing the start and completion dates of each project.
 - Priority and sequencing: order in which projects will be executed, highlighting dependencies and critical milestones.
 - Budget and indicative costs: approved funding or estimated costs for each project.
 - Community benefits: highlighting the expected benefits and impact of each project on the community.
 - Stakeholder involvement: a section acknowledging the input from the co-design group, Iwi, the wider community, and other stakeholders.
12. Note that this is not a restart or a rehash but rather a process that seeks to validate all the work done to date, particularly the invaluable feedback from the co-design groups and the community. The essence of the various master plans, concept plans and other relevant studies, if still fit for purpose, will be incorporated in this initiative.

13. A Project Control Group (PCG) and a Technical Advisory Group (TAG) have been established. The purpose of the PCG is to oversee the planning, execution and delivery of all town revitalisation projects and initiatives. The PCG will ensure that projects are delivered on time, within budget, and to the expected quality standards, while aligning with the strategic objectives of the Council.
14. The purpose of the TAG is to provide specialist technical advice and guidance on the concept and detailed design phases of the Roadmap and current projects are under guidance and direction from the co-design groups (CDG). The TAG will ensure that the projects meet technical standards, are feasible, and align with the strategic objectives of the Council.
15. Dates for the CDG workshops for Waverley, Pātea, Eltham and Ōpunakē, are being scheduled during August, September and October 2024, which will be followed by either a town meeting and/or an open day for community viewing.

Te Takiwā o te Hāwera / Hāwera Ward

Hāwera Skatepark Shelter

16. The Community Development Unit, alongside Te Hāwera Community Board, have been considering installing a shelter with additional tables and chairs at the skatepark. Currently, the necessary council consents and approvals are being obtained.

Te Takiwā o Pātea / Pātea Ward

Pātea Loop Track

17. Tamariki from Pātea Area School and TGM designers are collaborating to create a recognisable and visually appealing pathway for the Pātea Loop Track, focusing on the section directly outside the school on the road reserve.
18. The original pathway, marked with yellow paint on existing asphalt, has caused confusion. The new design will reflect Pātea and the school while meeting road guidelines.

Pātea Town Revitalisation

19. The Pātea Town Revitalisation CDG met on Tuesday 16 July 2024. The CDG was introduced to the new Community Development Manager, David Pentz. Discussions centered on the focus areas for using the revitalisation funding and pinpointing the date for the community town meeting.
20. The discussions for the revitalisation focused on three primary areas: the northern side of Pātea, specifically around the Waka and its surrounding area; the southern side of Pātea, around the public toilets on Cambridge Street; and Pātea Beach, particularly around Bourke's Lookout and the jetty on York Street.
21. A community town meeting for Pātea is planned for September 2024.

Egmont Street, Pātea – Speed Cushion

22. Final work on the Egmont Street, Pātea raised platform crossing was conducted between Monday 15 July to Friday 19 July. This installation aims to slow down traffic on Egmont Street. The first stage of the installation was completed in June 2024 and this final stage involved the installation of the raised platform.
23. Additionally, removal of lichen and tyre marks on Egmont Street, Pātea, was undertaken on Saturday 13 July, in conjunction with the raised platform implementation. The results are impressive, achieving at least 90% success in addressing pavement issues.

Wairoa-Iti / Waverley Town Revitalisation

24. The Waverley Town Revitalisation CDG met on Tuesday 2 July 2024 to debrief on the Community town meeting that took place in May 2024. The meeting focused on reviewing the community feedback.

Waverley Town Belt

25. The pathway, which starts at Aotea Park and extends north towards Waitangi Road, will be built in stages. The first section of stage one will run from Aotea Park to Dallison Park. Work on this first stage is to be completed in August 2024.
26. Subsequent development stages are planned to incorporate a proposed pathway with boardwalks in a restored wetlands area to the east of Dallison Park.

Te Takiwā o Arakamu ki Kaponga / Eltham-Kaponga Ward

Eltham Town Revitalisation

27. An onsite meeting with the Eltham CDG was held at Stark Park in July 2024. The purpose of the meeting was to discuss the CDG's vision for this area.
28. Directional finger signage has been designed in line with the style guide created for the newly repainted elements. These signs will highlight key areas around the township. Upon completion, they will be affixed to the recently repainted lamp posts.

The Peaceful Dell of Mangawharawhara, Eltham Walkway Sign

29. The walkway signs at Soldiers Park have been successfully installed. These signs, positioned at the walkway entrances, serve as wayfinding aids. The three walkway signs feature essential information such as the walkway's new name, walking distance, estimated time, and a detailed map. Additional details have been incorporated into the South Taranaki District Council's Pathways section on the website. This information is easily accessible directly from the website or by scanning the QR code located on the new entrance signs using any digital device.

Te Takiwā o Taranaki ki Tai / Taranaki Coastal Ward

Ōpunakē Town Revitalisation

30. The Council has endorsed the designation of a section of Napier Street, Ōpunakē as a pedestrian mall to enable the development of the Greenspace, as planned by the CDG. As stipulated by the Local Government Act there is now a 30 day period to appeal to the Environment Court.
31. Dates for the CDG workshop for Ōpunakē, are scheduled for October 2024 to develop the proposed Roadmap to Revitalisation and fine-tune priorities, including those related to greenspace.

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report covers a range of library activities and statistics across the District for June 2024 and the year ended 30 June 2024.

THAT the Taranaki Coastal Community Board receives the District LibraryPlus Report for June 2024 and the year ended 30 June 2024.

Ngā Kawenga-ā-Whare Pukapuka Āpitianga / LibraryPlus, Activities

Public Outreach and Events

2. Hāwera LibraryPlus Officers ran an adult quiz night in June. 20 people attended making up six teams. The eight rounds included New Zealand facts, famous people, music, name that tune, sports, random facts, books, and TV or film. Spot prizes were provided for this fun, low-cost, BYO-snacks evening; a second event is being held in September.
3. The Lysaght-Watt Trust Ronald Hugh Morrieson Literary Awards officially opened in June, starting with short story and poetry workshops. Workshops were held regionally, with eight 90-minute workshops attended by seven different secondary schools and more than 120 students. Two 3-hour adult workshops with David Hill and Tracey Slaughter were booked out quickly, and well attended. Both judges commented on the fantastic opportunity the competition provides to people in the District.
4. In Eltham, advertising for the free Digital Skills for Seniors classes was extended into the community to try and reach seniors who may be interested. Unfortunately, there has still been no attendance. Staff are continuing to work with the Digital Inclusion Alliance Aotearoa (DIAA) *Better Digital Futures* to provide drop-in sessions on Thursday mornings, rather than having set topics to cover.
5. Road Safety Team Leader, Marion Webby from RoadSafe Taranaki, spoke at one of the three Hāwera Casual Cuppa sessions in June. Marion gave an engaging and interactive talk, with the standout message being to imagine every car around you has a loved one in it, helping to

change the mindset and behaviour when driving. The people in this group know each other well, on average 6-8 of them attend each week; its importance lies in socialisation, a key factor in improving mental health.

6. Across the District, all LibraryPlus have offered a variety of regular events, and special programmes, throughout 2023/24 including book clubs, coffee and crosswords, craft groups, mystery book grab bags, quiz nights, chess clubs, and book-themed get-togethers.

Children's Services

7. The Takurua Toa winter reading programme launched in June with children visiting their LibraryPlus and completing different quests to receive Taniwha trading cards. This is a passive programme running until the end of August. The programme started off slower than expected but has been gaining momentum as children collect more cards and can see the possibility of completing a full set. Children and young adult issues for June 2024 were 3,623 compared to June 2023 with 3,313 issues. This is a good increase and shows small promotions such as Takurua Toa have a positive impact.
8. Pātea and Waverley LibraryPlus Officers visited our most remote rural school, Ngāmatapōuri, in June. Children learned to weave with the Tukutuku panels, listened to Matariki stories and crafted and designed Pūanga lanterns which are displayed in Waverley LibraryPlus along with some photos. The children were excited to be visited by library staff. Staff hope the school will visit the library for a day after winter and are working with the Principal to arrange this.
9. Pūanga and Matariki were celebrated at each LibraryPlus with storytimes, bookclubs and grab bags with appropriately themed activities. An online competition was held with a themed activity pack as a prize, with the Facebook post reaching 1,507 people.
10. In June, four 3.30 Club sessions were held in Hāwera with an average of 21 children per session. At the first session, children made salt dough shapes. These were left to dry out and then painted the following week. The third week was science-themed, and the last week we celebrated Pūanga.
11. All LibraryPlus have participated in the Summer Blast, Takuroa Toa Winter Legends and In Three Words programmes, and provided book clubs, after-school activities, craft groups, Lego and more. The wide range of activities offered across the District in the 2023/24 year, alongside outreach to the education sector, has seen an increase in tamariki visiting the LibraryPlus, and a corresponding increase in issues.

Digital Services

12. Facebook statistics are no longer being tracked as the metrics used change regularly, and the algorithms behind the promotion of Facebook posts also change regularly, meaning staff have little or no control over the success, or otherwise, of content produced.
13. The PlayStation and Nintendo Switch continue to be popular. Two more have been ordered. Gaming is popular across all age groups and encourages users to work well together, building important social skills while having fun.

Ngā Tauanga / Statistics

Wi-Fi and Aotearoa People’s Network Kaharoa (APNK) Usage

14. In June, there were 54,888 minutes used on APNK and 895 logons, compared with 40,153 minutes and 969 logons for the same period in the year prior. Total minutes for the year ending 30 June 2024 were 554,094, and logons were 12,536, compared with 456,494 and 12,901 respectively for the 2022/23 year. This is a 21% increase in the number of minutes used.
15. In June, the Wi-Fi was used 4,440 times compared with 4,970 for the same period in the year prior. Total Wi-Fi use for the year ended 30 June 2024 was 56,674 compared with 61,583 for the year prior.

The table below shows APNK usage for the 2023/24 year.

Circulation

16. Issues for June were 13,079 compared with 12,922 for the same period in the year prior. Issues for the year ended 30 June 2024 were 161,440 compared with 150,611 for the year prior.
17. As anticipated, issues are up 7% on the previous year. When we look back over the last 30 years we can see when employment is high, issues decrease, and vice versa. Another contributing factor is that each library has targeted one area of their collections for promotion, and this has worked well.

The table below shows the number of issues for the 2023/24 year.

8

New Resources

- 18. The acquisitions department processed 9,130 resources and distributed them across the seven LibraryPlus branches in the financial year. Of these, 34% were for children and teens.

The table below shows the new releases in the different categories.

Membership

19. Membership of the libraries stands at 13,723 or 53% of the population.

Whakakapia / Conclusion

20. The 2023/24 year has been challenging. In South Taranaki, we are ready to meet those challenges and know we are well supported to do so. The wide range of events and programmes coupled with focussed promotion of our book stock has seen increasing numbers in our facilities and an increase in issues. South Taranaki LibraryPlus continues to be busy community hubs, and staff look forward to serving residents in 2024/25.

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report updates the Taranaki Coastal Community Board on activities relating to the Environmental Services Group (the Group) for the month of June 2024. As June represents the end of the financial year, it also provides an opportunity to look at trends over a 12 month and 24 month timeframe.
2. The Group is comprised of four business units:
 - a) Planning and Development
 - b) Quality Assurance
 - c) Regulatory Services, and
 - d) Environment and Sustainability
3. The first part of the report goes through the operational activities for each of the business units. The second part of the report provides an update on key projects and programmes.
4. Key points to note for the month of June:
 - a) The downward trend for resource consents continued from May and building consent lodgements also dropped again after a brief peak in May.
 - b) There has been a significant improvement in statutory timeframe compliance for building consents.
 - c) The building and resource consent lodgements for the year were well down compared to the previous financial year (2022/23).
 - d) There are encouraging signs in the regulatory area, where roaming dog and barking incidents are also down compared to the 2022/23 financial year, although an increase in reported dog attacks remains a concern.

Taunakitanga / Recommendation

THAT the Taranaki Coastal Community Board receives the Environmental Services Activity Report.

Ratonga Hanga Whare / Building Control Services

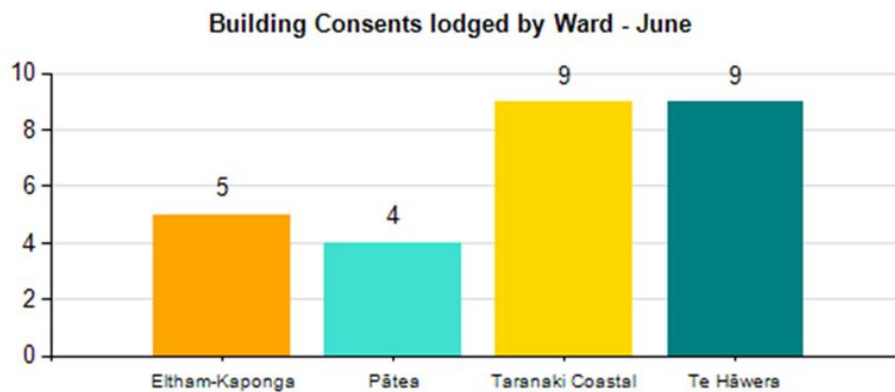

- Building consent activity decreased in June after a peak in May (Table 1). Building consent lodgements are well down on the previous financial year. Statutory compliance has seen a significant improvement over the last two months bringing compliance for the year close to what was achieved for the 2022/2023 financial year. The value of building works for the financial year just ended was also well down on the previous year (2022/23).

Table 1. Building Consents Statistics Summary

- Building activity was highest in Te Hāwera ward and the Taranaki Coastal ward across the month of June.

Figure 1 – Building Consents lodged by Ward - June

- Commercial activity is not high compared to residential work across June (Table 2). New dwellings still feature, despite the low overall numbers.

Ratonga Whakamahere Taiao / Planning Services

8. Resource consent lodgements have not recovered from the sharp decrease in May (Table 3). Lodgements for the year are 20% down on what was received in the 2022/23 financial year. Statutory compliance has also declined along with consent volume, which will be an area of focus.

Table 3. Resource Consent Statistics for June 2024

Application Activity	June 2024	May 2024	April 2024	End of Financial year 2023/24	2022/23 Financial Year	June 2023

Granted	11	15	16	142	173	11
Issued within statutory timeframe	100%	100%	100%	97%	97.7%	90.9%

9. The number of subdivision and land use resource consents were similar during this reporting period (Table 4). This contrasts to most previous months, where subdivision consents significantly outnumbered land use consents. This difference is evident from the YTD figures (87 subdivision:58 land use). Given the low numbers for June, there was no clear pattern across the wards for land use consents (Figure 2). Subdivision activity with the highest lot yields was in Pātea and Te Hāwera (Figure 3), but again the sample size is small.

- Requests for Land Information Memorandums (LIMs) remain high (Table 6). Overall, most of the LIM applications have been for residential or rural land, with most in Te Hāwera (Figure 7).

11. The statistics for Customer Service Requests relating to animals is shown in Table 7. The number of incidents in June are similar compared to the previous month and June last year. While more attacks were reported in the 2023/24 financial year compared to the previous year, roaming, threatening and barking incidents saw significant decreases.

Table 7 – Customer Service Requests: Animal Control

Attack	3	3	3	50	37	2
Barking	23	29	28	359	391	22
Roaming	49	41	49	578	672	54
Stock Wandering	7	3	6	100	123	4
Threatening/Menacing	2	5	1	37	49	5

12. Most of the roaming dog call outs were in Te Hāwera ward during June (Figure 4). This has been a consistent pattern for the year with occasional spikes in the Pātea ward.

Figure 4 – Animal Statistics per Ward - June

13. The statistics for Customer Requests relating to other regulatory compliance matters are shown in Table 8. The year on year trends are noteworthy; abandoned vehicles and noise complaints are up, illegal dumping and ‘other’ reports saw decreases. Te Hāwera Ward was where most incidents were reported across all categories (figure 5).

Rautaki Kaupapa me ngā Hōtaka / Strategic Projects and Programmes

Reforestation Project

15. Pātea Saltmarsh – planning for phase two is currently underway and monitoring will be continued.

Business Waste Minimisation

16. As part of the ResourceWise business waste minimisation program, all Council facilities will be audited to identify ways to reduce waste. Currently, four facilities have been completed and the remainder will be carried out soon. These reports will be shared once all audits have been completed.

District Plan Change Update

17. Plan Change 2 (Todd Energy Plan Change). The Joint Witness Statement from the risk experts has provided a joint position on the four points that were raised at the last pre-hearing meeting. The next stage is for parties to resolve the outstanding matters in a third and final pre-hearing forum scheduled for September 2024.
18. The further submission period for Plan Change 3 – (Papakāinga) has closed. The team are currently working through summarising the submission points before we schedule as hearing, which will take place before the end of the year.

Pūrongo-Whakamārama Information Report

To	Taranaki Coastal Community Board
From	Kaihautū Whakawhanake Pakihi / Business Development Manager, Scott Willson
Date	21 August 2024
Subject	Quarterly Economic Development and Tourism Report to 30 June 2024

(This report shall not be construed as policy until adopted by full Council)

8

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report provides a combined update of activities of the Economic Development and Tourism Units, including highlights of the key activities undertaken at the South Taranaki isite Visitor Information Centre.

Taunakitanga / Recommendation

THAT the Taranaki Coastal Community Board receives the Quarterly Economic Development and Tourism Report to 30 June 2024.

Whakawhanake Ohanga / Economic Development

South Taranaki Business Park (the Business Park)

2. The next stage of work including roading, three waters, internet and electrical infrastructure upgrades on Fitzgerald Lane, Little Waihi Road and Kerry Lane began at the end of February.
3. Contractors have begun work on Little Waihi Road first to provide an important link road between Kerry Lane and Fitzgerald Lane. Once Little Waihi Road is complete, the works will progress to Kerry Lane and then Fitzgerald Lane. It is anticipated that Little Waihi Road will be complete in July.
4. This work builds on progress already made at the Business Park by the Council and local developers, including the installation of a new watermain along SH3 to Fitzgerald Lane and Kerry Lane, a 360m extension to Fitzgerald Lane, a 170m portion of new road, underground services and an upgraded intersection at Fitzgerald Lane and Little Waihi Road. A new wastewater pump station is also part of the Business Park project, with designs complete and a procurement process to begin within the next few weeks.
5. Land contouring work in preparation for the installation of the wastewater pump station and future roading and three waters infrastructure from Fitzgerald Lane to Glover Road has been completed.

6. The Business Park project team are working on confirming the construction programme for this summer. The work is likely to include the construction of the wastewater pump station and rising main in addition to the upgrades of Kerry Lane and Fitzgerald Lane.
7. Five case studies have been completed with businesses that are newly established in the Business Park. These will be used to promote the Business Park to potential new developers and incoming businesses. It was pleasing to read the benefits that are being felt, such as room to expand, high quality image and fit for purpose infrastructure.

Mayor's Taskforce for Jobs (MTFJ)

8. The MTFJ Whaimahi team have successfully reached their target for the year of 38 sustainable employment placements. Funded by the Ministry of Social Development, the MTFJ Community Employment Programme has funding confirmed until June 2025.
9. The team are busy with end of year reporting, which also includes the production of a video featuring highlights of the last 12 months. Several initiatives are already planned for later this year, relating to employment opportunities in hospitality, construction, horticulture, and agriculture.

Events

10. Council's Business Development team delivered WinterFest on 27 June as part of the Bizlink Hāwera annual plan. Held the night before the Matariki public holiday, there was an excellent turnout of businesses, stallholders, performers and attendees. Highlights included performances from the Hāwera Memorial Trust Singers and Joshua Drummer, a talent quest in the town square, food trucks and kids' activities.
11. Te W'anake The Foundry participated in Techweek New Zealand with a Storytelling Through Gaming event presented by Morgana Watson from 4Phase Games. The 4Phase Games team shared their story about Ariki, the Māori video game they are developing, and the journey they have been on so far.
12. As part of the Bizlink Business Workshop series, Te W'anake The Foundry hosted a 'Building a Better Business' workshop. The fully booked event covered ten steps to reaching the full potential of a business.

New Building Consents

13. Building consents are reviewed with the number of new dwelling building consents collated and recorded to indicate the state of the construction industry. There were eight new dwelling consents for the last quarter.

14. Similarly, with new dwelling consents, the number of new cowshed consents is recorded as one tool to monitor confidence in the dairy farming industry.

Whakatairanga Tāpoi me to Rohe / Tourism and Regional Promotion

Tourism and Promotion

Visitor Spend

15. Visitor spend for May was up 5.9% on average across both domestic and international since the same time last year. Of note was growth in international spend, up 68% and representing the highest growth across international of all 16 regions. This data is via the Ministry of Business, Innovation and Employment (MBIE) and the TECTs (Tourism Electronic Card Transactions).

TRENZ

16. In May, Venture Taranaki (VT) attended TRENZ in Wellington, the largest international tourism buyer-seller event in the southern hemisphere. VT also shared a stand with South Taranaki-based operator Weir Tours, providing them with direct access to international buyers. Collectively, the team met with over 50 agents from around the world, representing thousands of potential visitors from large and small groups, and FITs (free and independent travellers).
17. For the first time, VT also participated in hosting agents on pre and post-familiarisations (famils). These mini-events ran in-region before and after the trade event, and involved hosting agents to show them first-hand what we have to offer. A total of nine agents registered, with representation from Singapore, China, Germany, India, and Indonesia, with famil participation from South Taranaki including Weir Tours, Pā Life Tours, and Tāwhiti Museum.

Meetings

18. In June, Venture Taranaki attended Meetings in Rotorua. Meetings is the largest national Business Events Tradeshow in the country. Across two days, the team met with over 20 agents to share our Taranaki business events proposition. This included accommodation options, events and conference spaces and centres, visitor experiences, and transport.
19. Business event attractions continue to represent an effective approach to smoothing seasonal peaks and troughs, with many businesses looking to take their events outside of the main centres post-covid.

Cruise Industry

20. The 2023/24 season has wrapped on a high, with a 100% port call rate, seeing seven vessels, and over 8,000 passengers call in to Taranaki. This marks an important milestone in the VT Cruise strategy, with the effective delivery of the year-one action plan, resulting in around \$2.6m in direct economic impact. The team also worked effectively across all other planned areas, from communications, to community engagement, operations, and business development.
21. VT and Port Taranaki hosted a season wrap workshop in June, where they shared a season summary, insights and learnings, joined by NZ Cruise Association CE Jacqui Loyd. Jacqui provided a national and international update, including summarising some of the wider macro environmental challenges currently faced by the sector at large.

Film

- 22. VT hosted two international film producers/scouts in the region in June. They visited various locations around the region, some of which were in South Taranaki.

South Taranaki isite Visitor Information Centre

Visitor Statistics

- 23. The following graph has been provided to show the isite visitor trends that have occurred over the past three years. The visitor graph shows an increase in local visitors and still slight decreases in the domestic and overseas visitors.

- 24. The following graph has been provided to show the isite visitor trends that have occurred over the past six years.
