

South Taranaki District Council Te Hāwera Community Board Electing 4 Board Members

Desiree BOND

My principal place of residence is in the Te Hāwera Community Board area.

My name is Desiree Bond and I am a candidate for the Te Hawera Community Board. I am passionate and dedicated to our community and for the past 15 years I have been an enthusiastic volunteer in multiple Not for Profit organizations throughout Hawera, Manaia and Eltham. I am currently the IPP of Business and Professional Women (BPW) Hawera and a member of the Hawera Community Theater Trust Singers. I enjoy working in governance and I am currently serving on two boards. I believe my continuous involvement in local community groups alongside my experience in governance positions makes me the ideal candidate for the community board role. If selected I will use my knowledge to help the board reach our community groups and enable more diversity in the applicants applying, I will be an active supporter for the interests of our community.
