(name and address)

Building Consent number:

Site address:

Perf. Standard for Design:

Perf. Standard for Insp and
Main:

Make and Model:

I have sighted the above building consent and read the attached conditions of consent together with the emergency lighting design contained therein; and confirm that:

- emergency lighting has been installed in accordance with the consented plans and emergency lighting design;
- emergency lighting has been installed, commissioned and tested in accordance with the above Performance Standards;
- all work complies with the Building Code.

I have attached copies of the following documents: (mandatory)

Duration test results

Illuminance measurements

As-built plan showing location
of all emergency lights

I understand that South Taranaki District Council is reliant on this producer statement in order to establish compliance with the requirements of the Building Act 2004, Building Code and the consented plans and will rely on this statement in order to issue the code compliance certificate for this application.
