I have sighted the above building consent and read the attached conditions of consent together with the fire engineer's design contained therein; and confirm that:

- Fire doors have been installed and are in accordance with the consented plans and fire engineer's design.
- Fire doors have been installed as per the manufacturer's instructions, are completed and operate correctly using appropriately fire-rated hardware (closers, door seals, magnetic hold-open devices, etc).
- Fire doors have signage and tags fitted.
- Door schedule is attached.
- All work complies with the Building Code.

I understand that South Taranaki District Council is reliant on this producer statement in order to establish compliance with the requirements of the Building Act 2004, Building Code and the consented plans and will rely on this statement in order to issue the code compliance certificate for this application.
