

Updated Summary of annual returns as at 3 March 2025

The Local Government (Pecuniary Interests) Amendment Act 2022 requires Council to publish a summary of Elected Member's Pecuniary Interests on its website. This is to provide transparency and to strengthen public trust and confidence in local government processes and decision making.

The summary of interests that are required to be registered are listed below.

Items 1 to 9 and 13 provide a "snapshot" or stocktake of pecuniary and specified interests of members as at 30 April 2024. Items 10 to 12 identify the flow of a member's interests for the period from that member's previous return, or, in the case of new members, from the point that they were elected. This report summarises the information provided to the Registrar in members' returns in respect of any of the categories below that may apply to a member:
