DOG REGISTRATION DUE

It's time to register man's best friend.

Dog registration invoices will be sent to owners over the next couple of weeks to re-register your dog/s for the coming year.

If we have your email address on file, please keep an eye out on your inbox as we will be emailing your invoice instead of posting it.

Those without emails will get their invoices posted as usual.

All dogs three months and over are legally required to be microchipped and registered. If you need to register a new dog, please come in and see us at your local LibraryPlus or the Hāwera Administration Building and we can help you get this done. You can also register your dog and update information at www.southtaranaki.com/animalsonline.

If you have any questions, or haven't received an expected dog registration invoice before 30 June

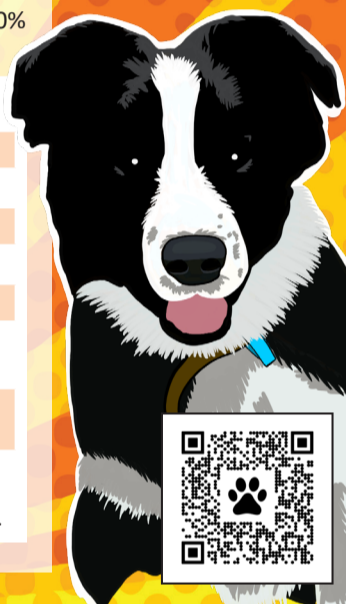

2024, please do not hesitate to contact us tollfree on 0800 111 323.

Any outstanding fees after 31 July will have a 50% penalty applied on 1 August 2024.

Hey Waverley, let's have a potluck and talk about our town

The Waverley community co-design group has been hard at work creating plans for Waverley's town revitalisation and they want to share them with you over dinner, a presentation and a workshop! Bring your creativity and ideas so we can add them to the mix. Contributions to the potluck are welcome, but this is not a requirement for you to join us.

Kids are welcome and activities will be provided.

Wednesday 5 June, 5.30pm - 7.30pm
Waverley Community Centre
Please RSVP to cdunit@stdc.govt.nz so we have numbers prior to the event.
