"ONE OF THE BEST FEATURES OF THE APP IS THAT IT LETS RESIDENTS REPORT ISSUES OR GIVE FEEDBACK DIRECTLY TO COUNCIL. FOR EXAMPLE, IF YOU SEE A DAMAGED FOOTPATH OR A POTHOLE THAT NEEDS REPAIR, INSTEAD OF WAITING TILL YOU GET HOME TO RING IT IN, YOU CAN DO IT RIGHT THERE AND THEN USING THE APP."

REPORT IT! Antenno makes it easy for you to submit feedback, an idea, or report issues such as a full public rubbish bin, damaged footpath, road pothole or graffiti.

IT'S EASY!

- Simply open the app and select the 'Report It' icon from the options on the bottom toolbar.
- Once you've done that, click the '+' at the top right of the page to submit a new report.
- Then fill in the report and submit. It's helpful to provide any photos you may have taken.

Our Customer Services Team monitor Antenno Reports during Council open hours.
