Two weeks left to nominate...

SOUTH TARANAKI SPORTING HALL OF FAME

We're on the hunt for two new inductees to join South Taranaki's Sporting Hall of Fame. "South Taranaki has produced some incredible sports people, and we want to acknowledge that," says Community Events Co-ordinator, Ella Tosland. "We have inducted seven people in the past and are now looking for the next two to join this elite group." As well as meeting some criteria, inductees must have a strong association with South Taranaki and have spent a significant period of their life living in the District. "Nominations don't roll over from year to year, so anyone who hasn't been chosen from an application in the past is eligible to be nominated for the 2024 round of inductions," says Ella.

The South Taranaki Sporting Hall of Fame includes Roger Cox (shearing), Adine Wilson (netball), James Hunter (rugby), Graham Mourie (rugby), Stan Lay (javelin), Graeme West (rugby league) and Michael Campbell (golf). A list of criteria and nomination forms can be picked up from TSB Hub, South Taranaki isite, any South Taranaki LibraryPlus or downloaded from Council's website www.southtaranaki.com/halloffame. Nominations close on Friday 1 November 2024. For more information contact Ella Tosland on 0800 111 323 or email events@stdc.govt.nz.

What about our OLD SET OF BINS?

You can keep them if you want - but if you'd rather get rid of them, check out the...

OLD BIN TAKE BACK PLAN

www.southtaranaki.com/bintakeback

Line your food scraps bin with newspaper

We've received some feedback that the food scraps bins aren't always being emptied fully. We had a chat to our contractors and have together decided that newspaper (one or two sheets at the bottom of your bin) will now be allowed. This will help with fully emptying the bin when it is collected, as well as a less messy bin for residents.

It's time to eat, drink and be merry!

The popular end of year Christmas Cabaret is happening again, so get a group together and come and celebrate the festive season with us at the TSB Hub on Friday 13 December. Council Community Events Co-ordinator Ella Tosland says this is the perfect end of year social event for local businesses, friends' groups or just someone who wants a good night out. Come and join us for "A Night in Vegas." It's sure to be one that you don't want to miss. There will be entertainment during dinner from Haus of Flash after which you'll be able to dance the night away with Campbell Vibe. "We will provide a delicious Christmas buffet with all the trimmings, so get your workmates, social club or group of friends together and come dance the night away with us!" Tickets are now available from the South Taranaki isite Visitor Centre and TSB Hub for \$70 each, or \$65 each for groups of 10 or more.

Model boats of all types and sizes will ply the King Edward Park waters at Labour weekend, 26 and 27 October, in Hāwera's annual Scale Ship Regatta. The regatta has been running since 1996 and the event continues to grow, with 'captains' travelling from throughout the North Island to take part. Warships, tugboats and racing yachts are among the scale ships operated from the lake edge with sophisticated remote control units. As always, they will be keen to share the secrets of building and operating the model craft with spectators. South Taranaki District Council Places and Spaces Volunteer Co-ordinator Alice Arnold says that this is a good opportunity to get the family into the award winning King Edward Park which is looking its best. "So make the most of it and bring along a picnic to enjoy while watching the boats and go for a stroll through the gardens," says Alice.
