Meal Planning on a Budget

with Hāwera Budget Advisory Services

**Celebrating
Love Food
Hate Waste**
3 - 30 March

In an effort to help households stretch their grocery budgets while reducing food waste, South Taranaki District Council, in collaboration with the Hāwera Budget Advisory Services, is hosting a series of free workshops, *Meal Planning on a Budget*. Council's environment and sustainability manager Cindy Koen says the sessions will equip participants with practical skills to plan nutritious meals, make the most of their grocery shop and reduce unnecessary food waste.

"These workshops are open to anyone interested in learning how to plan meals efficiently while staying within a budget," says Cindy. "Whether you're looking to save money on groceries, reduce food waste, or make healthier eating choices, this session will provide practical tips and tools to help you succeed."

Attendees will have access to resources, including meal planning templates, recipe books and other tools to simplify the meal planning process.

"We are really excited that the Hāwera Budget Advisory Services team has agreed to come onboard and help us with these sessions – they have the skills and knowledge to pass onto our residents."

These workshops are being held through March to correspond with the nation-wide Love Food Hate Waste campaign.

The Love Food Hate Waste campaign is about households reducing the amount of food waste they create, and in turn, saving money at the supermarket. Find out more about Love Food Hate Waste at www.lovefoodhatewaste.co.nz.

Notice of Impounded Stock

Section 49, Part 8 of the Impounding Act 1955

1 x nanny goat approximately 4 years old, white with horns wearing a black collar, no ear tags or markings, found roaming on North Street Eltham on 23 February 2025, dragging a chain and a fence standard.

Unless claimed by the owners, the above stock will be sold by public auction at the South Taranaki District Council Pound, Beach Road, Hāwera on Thursday 6 March 2025 at 9.00am, or otherwise disposed of in accordance with the Impounding Act 1955.

District-wide partial water restrictions now in place on Odds and Evens system.

The Odds and Evens System
Houses with an odd number can use hand held hoses on odd dates and houses with an even number can use hand held hoses on even dates.

Tell us what you think about the Hāwera - Normanby Corridor Strategy

The Council wants to find out what changes the community want to see for the State Highway 3 (Waihi Road) between Hāwera and Normanby (the Hāwera to Normanby Corridor). The 'corridor' is the section of road from the Glover Road/Waihi Road roundabout in Hāwera to the Ketemarae Road/Waihi Road intersection in Normanby.

Visit the Council website at www.southtaranaki.com/consultation or Te Ramanui o Ruapūtahanga (Hāwera's new LibraryPlus) or the Eltham LibraryPlus for submission forms. Submissions close on 28 February 2025.
